Kingswood-Oxford School

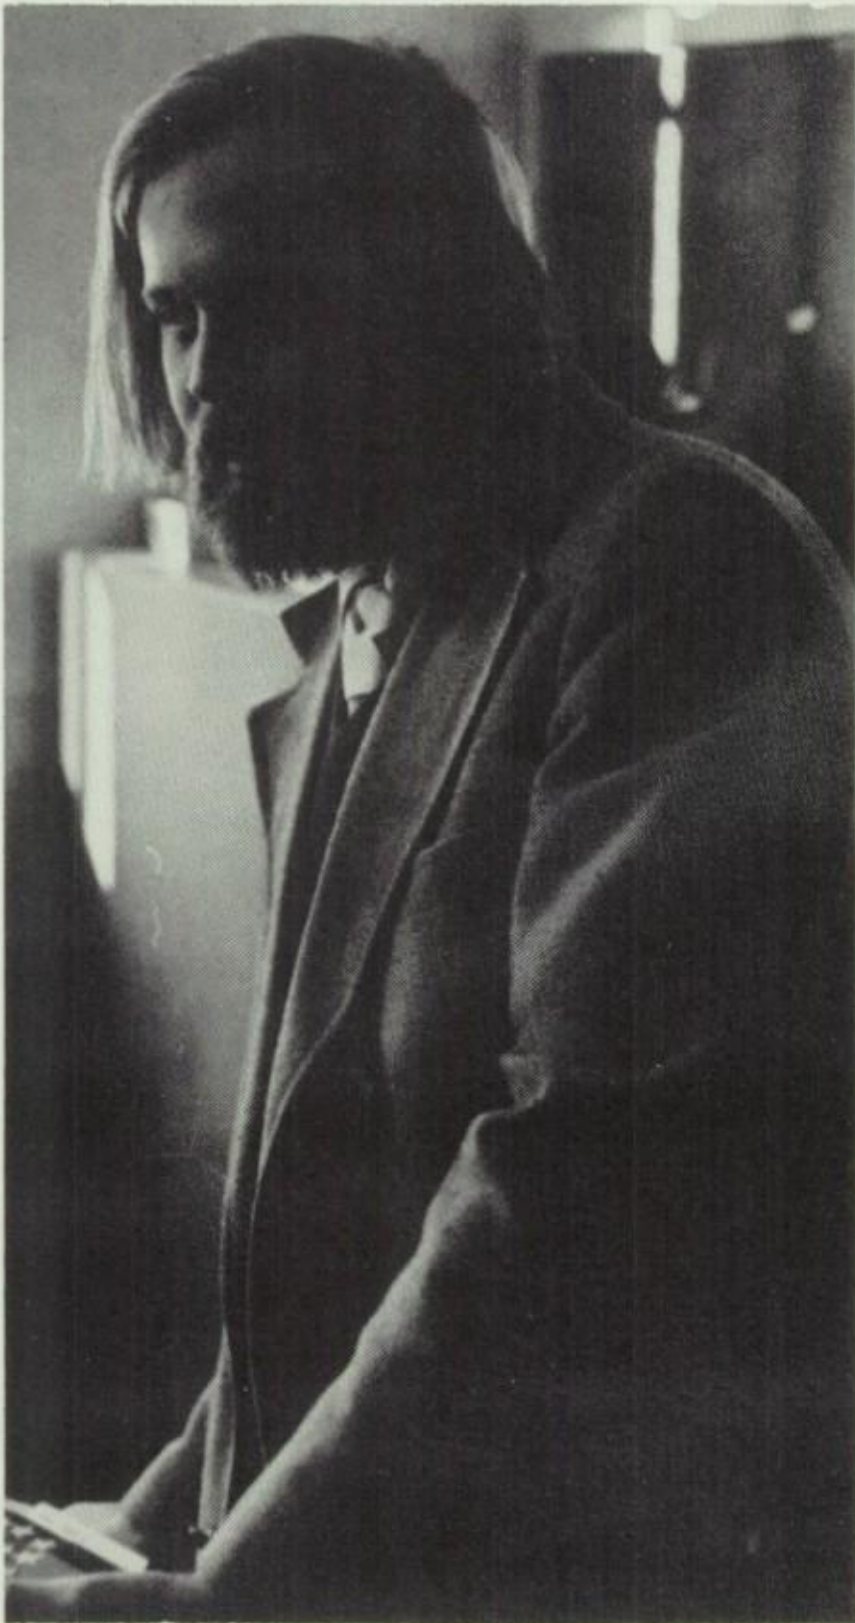

West Hartford, Connecticut

An aerial night photograph of a city, likely West Hartford, Connecticut. The image is dark, with numerous small, bright lights scattered across the landscape, representing residential areas. In the upper center, a large, brightly lit building with a grid-like structure of windows is visible, possibly a school or a government building. The text "RETROSPECT" is overlaid in white, sans-serif capital letters in the middle of the image.

RETROSPECT

РЕТРОСПЕКТ

kingswood-oxford school, west hartford, ct.

We dedicate this yearbook to Mr. Todd Rosenthal whose own dedication to his profession and to those affected by that profession is greatly appreciated and admired. His presence has served to make our high school years a worthy experience, and of all the things we are likely to miss, he will, most certainly, rank at the top. Although it is but a small token, we, the senior class, give you this dedication to say thanks for being you.

As we pass through the gates toward our unknown futures; departing from the security of Kingswood-Oxford — We leave you these thoughts with the hope that they may inspire you —

GOOD ADVICE ON LIVING WELL

KEEP LIFE SIMPLE — but active and exciting.

KEEP YOURSELF RESPONSIVE — to the simple things that are always near at hand.

LEARN TO LIKE WORK — since you have to work, you may as well learn to like it.

HAVE A GOOD HOBBY — something which turns part of your existence into pleasure and pleasurable expectancy.

LEARN TO BE SATISFIED — it is just as easy under most conditions to be satisfied as it is to be dissatisfied.

LIKE PEOPLE — join the human enterprise.

SAY THE CHEERFUL, PLEASANT THING — and get up on the right side of the bed.

MEET ADVERSITY — (hardship) when it comes, get up and go on.

MEET PROBLEMS WITH DECISION — don't keep mulling them over in your mind, but resolve them.

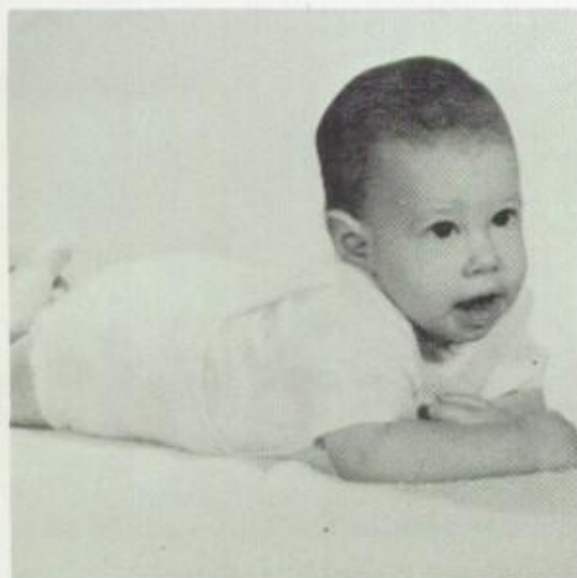

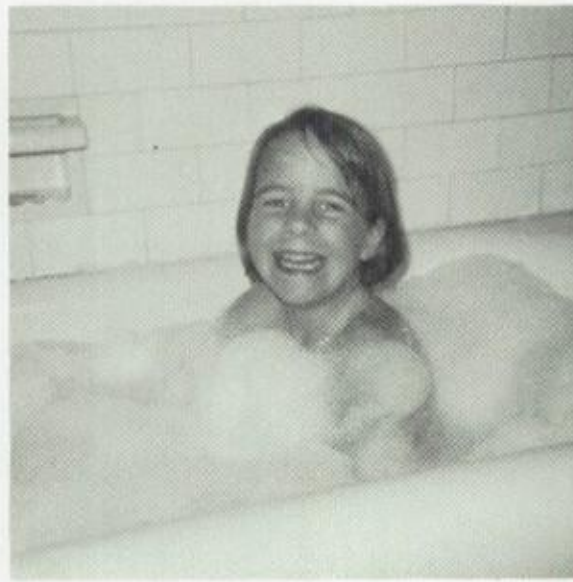

LAUGHTER ADDS TO LIFE — as much as light adds to a lamp.

Consider yourself improperly clothed unless you are wearing a SMILE.

KEEP SMILING, THINK POSITIVE — and always TELL THE TRUTH.

GOOD LUCK, and may this help you to become a SUCCESS IN LIFE.

SENIORS

In Memory of Jeffrey S. Allpass "Class of 1976"

A true appreciation of strength and perseverance is something not easily come by. Certainly, the passing of Jeffrey S. Allpass after his prolonged battle inspired many to recognize these beautiful facets of life, and it is time that tribute and thanks be offered for this unique young man.

It was no strange sight last spring to see Jeff walking cheerfully around the campus from class to class; few people realized the real enjoyment he had found in the everyday struggles of homework, papers and coping with the K-O food. When time allowed, he loved bicycling to the reservoir for sports (onward to Kilkenny Rock!). Even the confusion and frustration of knot-tying did not quell the pleasure Jeff found in rock — climbing, as he proved last spring on a Saturday morning trip with friends.

In the summer of last year, Jeff showed that his spirits would not dampen, although confined to a hospital bed. "Clowns" and "jokers" were always welcome as visitors, even when nurses frowned half-heartedly. The sea-shore was lacking, but Jeff developed an apparent love and joy for his surrounding which he communicated in his journal and a special videotape, both intended as honest and inspirational messages for terminal cancer patients across the country.

It is not only time now to think of Jeff Allpass for his strength and love; in the future whenever times are hard, perhaps it will be his example that can make life that much cheerier.

Time Passes On

Time passes on like a river that must always run
 now you are gone but I will have you til time is done
 you can never take away, the love you gave me
 yesterday
 and I don't have to capture you cause you're here
 in my memory

My life goes on like a song that is never still
 I'll sing that song to the emptiness I'll never fill
 I don't need your photograph to see your face in
 front of me,
 We may never touch again but you're here in this
 melody.

What once was will always be and you've left your
 imprint on me
 sometimes I think its the spark of conflict with which
 we affect
 most heavily. But I hope when you think of me,
 you'll remember only harmony and — time passes
 on.

I don't know why but I do know what for,
If we're all going somewhere let's get there
soon,
for this song's got no title just words and a
tune

El Dorado

Gaily bednight: a gallant knight
In sunshine and in shadow
Hud journeyed long singing a song
In search of El Dorado

As he grew old this knight so bold
And o'er his heart a shadow
Fell as he found no spot on the ground
That looked like El Dorado

And as his strength failed him at length
He met a pilgrim shadow
Shadow said he "Where can it be
this land of El Dorado

Over the mountains of the moon
Through the valley of the shadow
Ride, boldly ride,
If you seek for El Dorado

We'll leave our pasts

You run your race
and on looking back
you're so far away.
I know what I want
and maybe I'll get it.
Leap for life.
But I've a long way to go
on a stony road that
bends out of sight.
But when I take my shoes off
along the way
to rest for awhile
I'll look back on six years
of tears, fears and cheers
and remember a Smile.

Stopping By Woods On a Snowy Evening

Whose woods these are I think I know.
His house is in the village though;
He will not see me stopping here
to watch his woods fill up with snow.

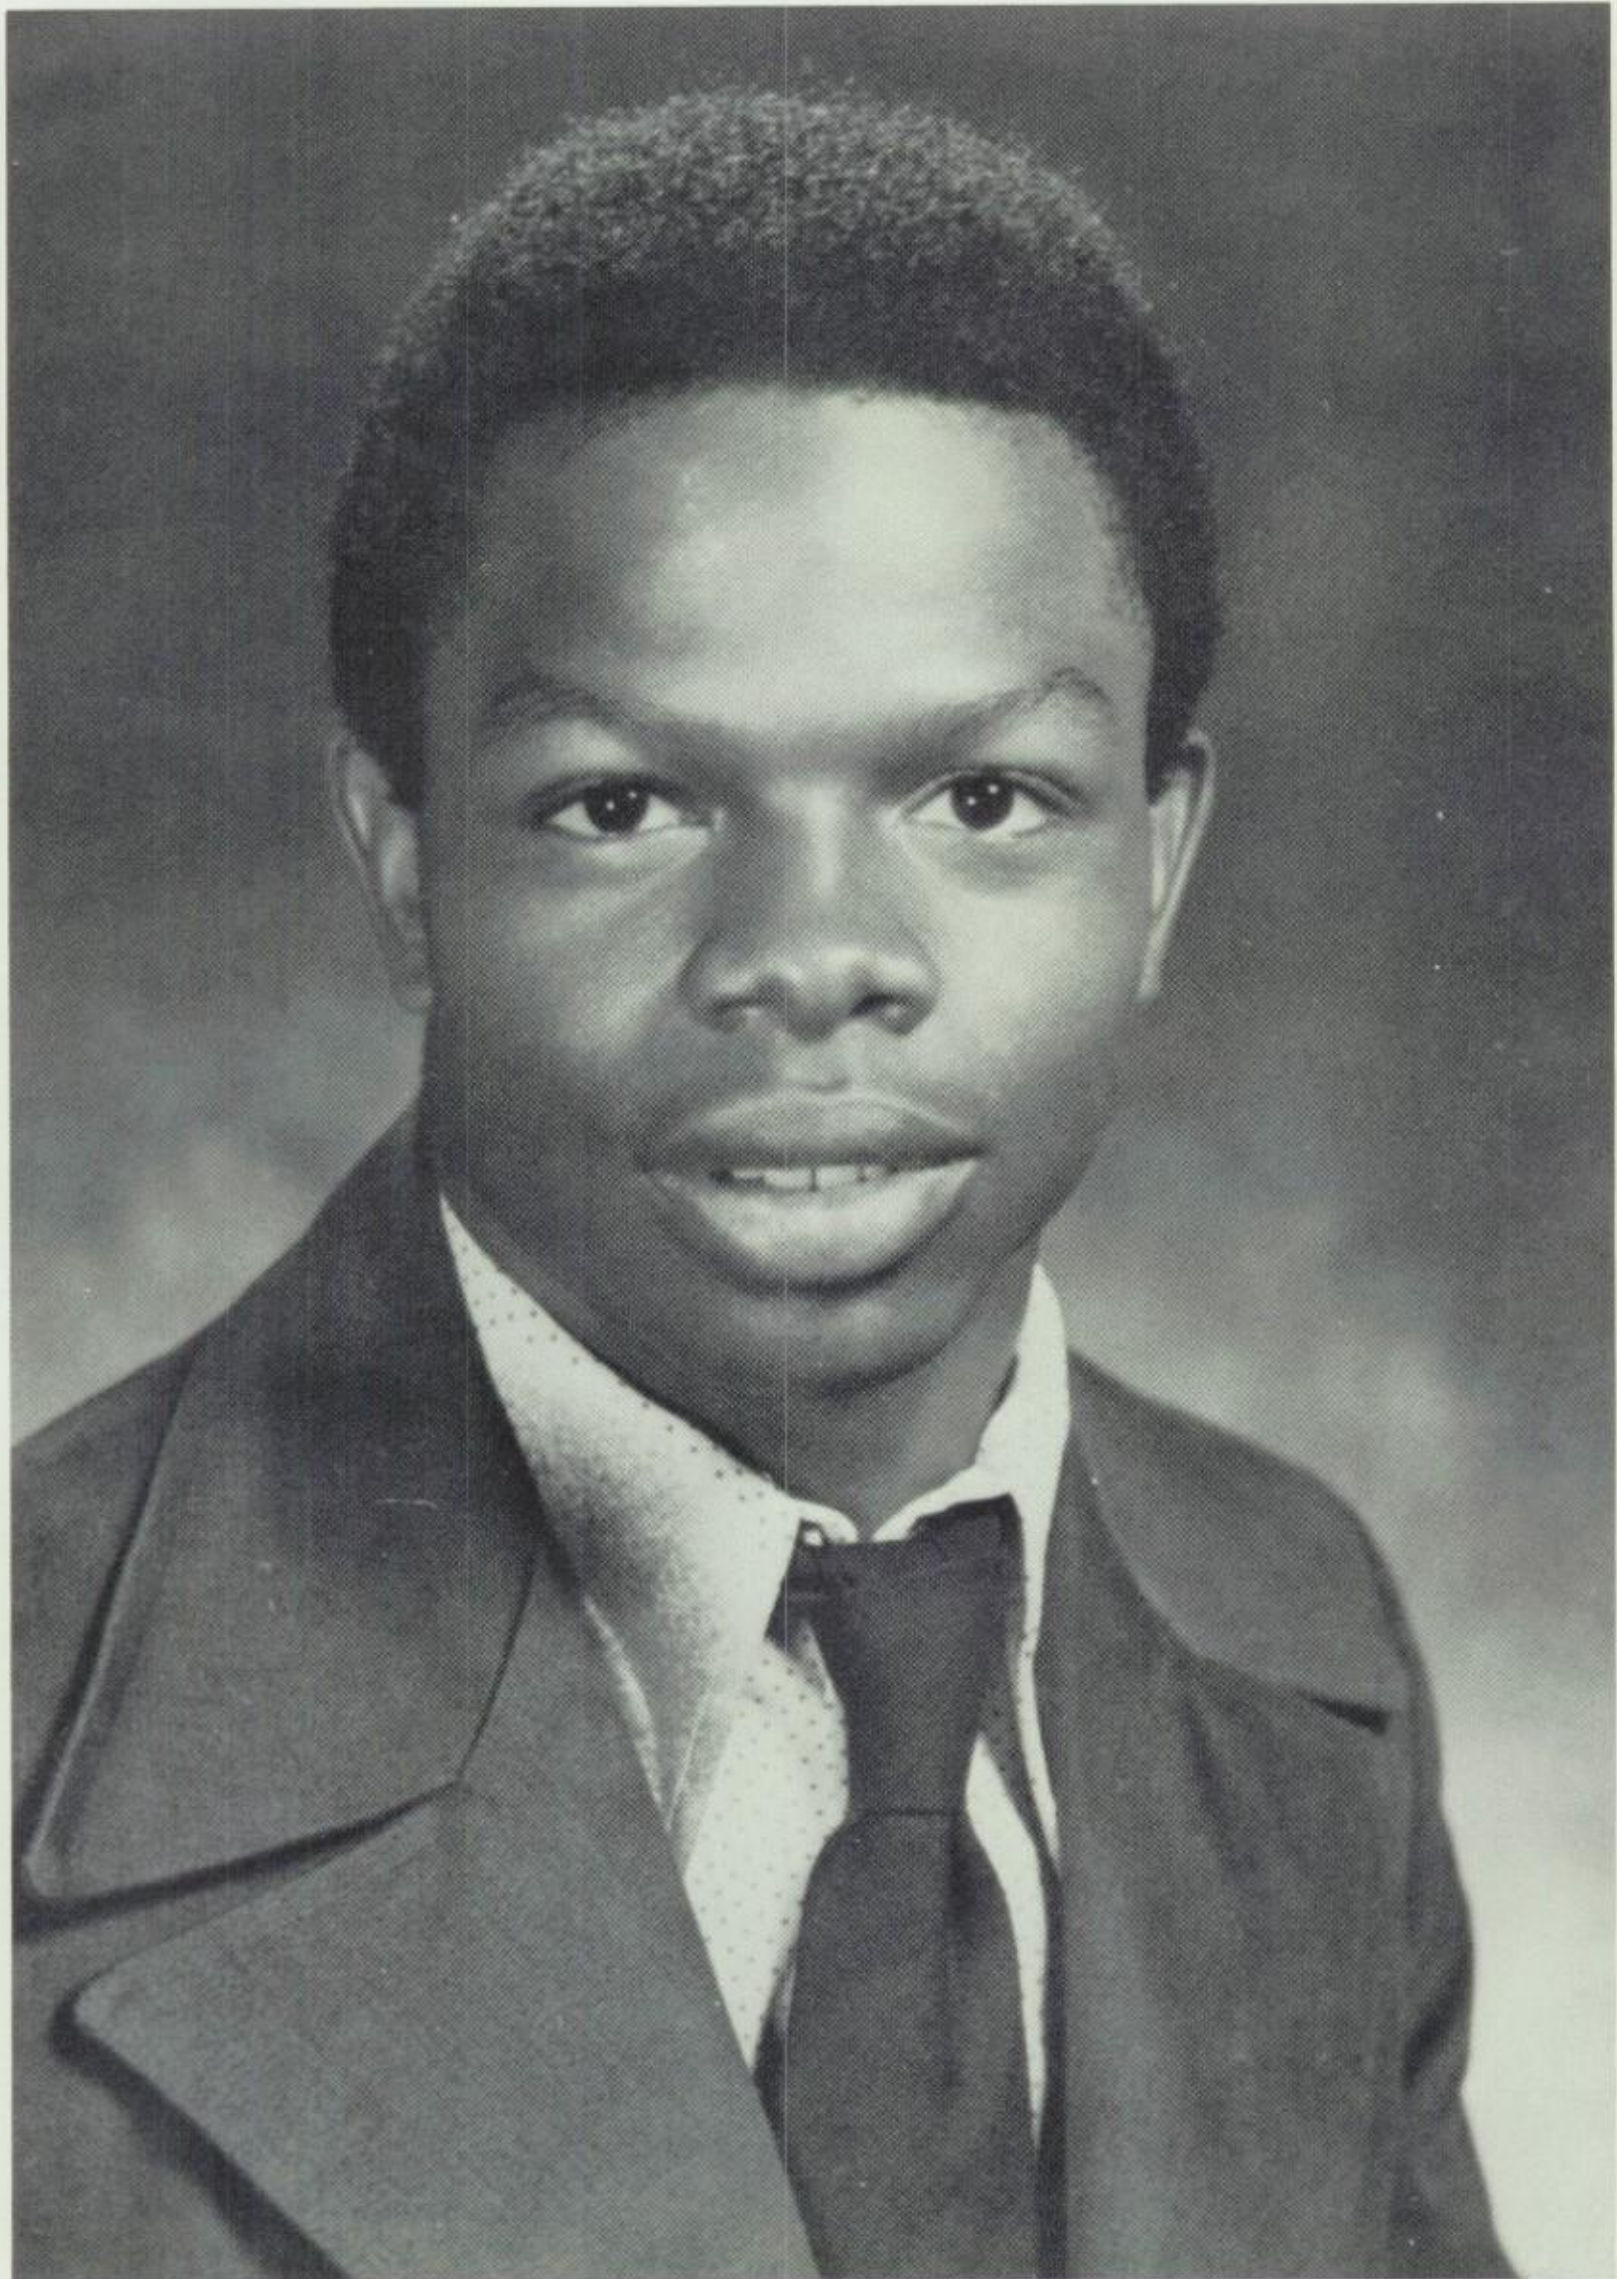

My little horse must think it queer
To stop without a farmhouse near
Between the woods and frozen lake
The darkest evening of the year.

He gives his harness bells a shake
to ask if there is some mistake.
The only other sound's the sweep
Of easy wind and downy flake

The woods are lovely, dark and deep.
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.

The Road Not Taken

Two roads diverged in a yellow
wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I
could

To where it bent in the under-
growth;

Then took the other, as just as fair
And having perhaps the better
claim,

Because it was grassy and want-
ed wear;

Though as for that the passing
there

Had worn them really about the
same.

And both that morning equally lay
In leaves no step had trodden
black.

Oh, I kept the first for another
day!

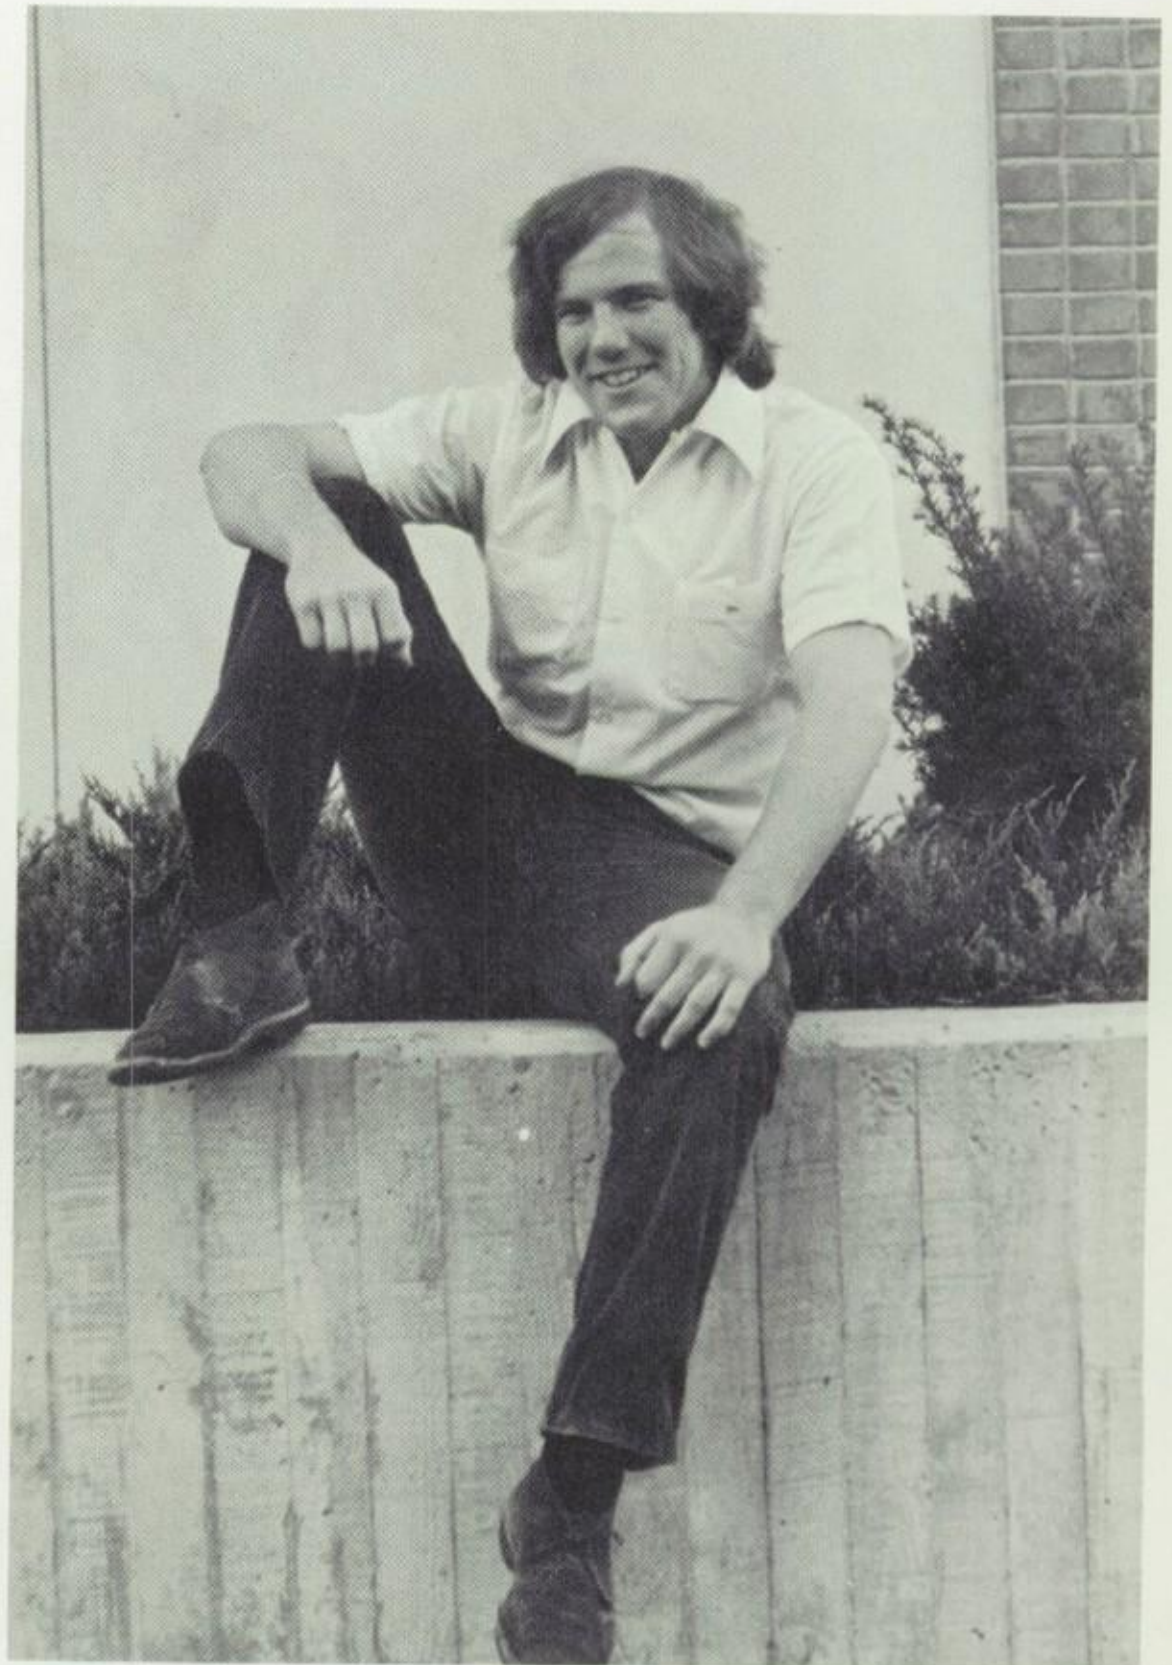

Yet knowing how way leads on to
way,

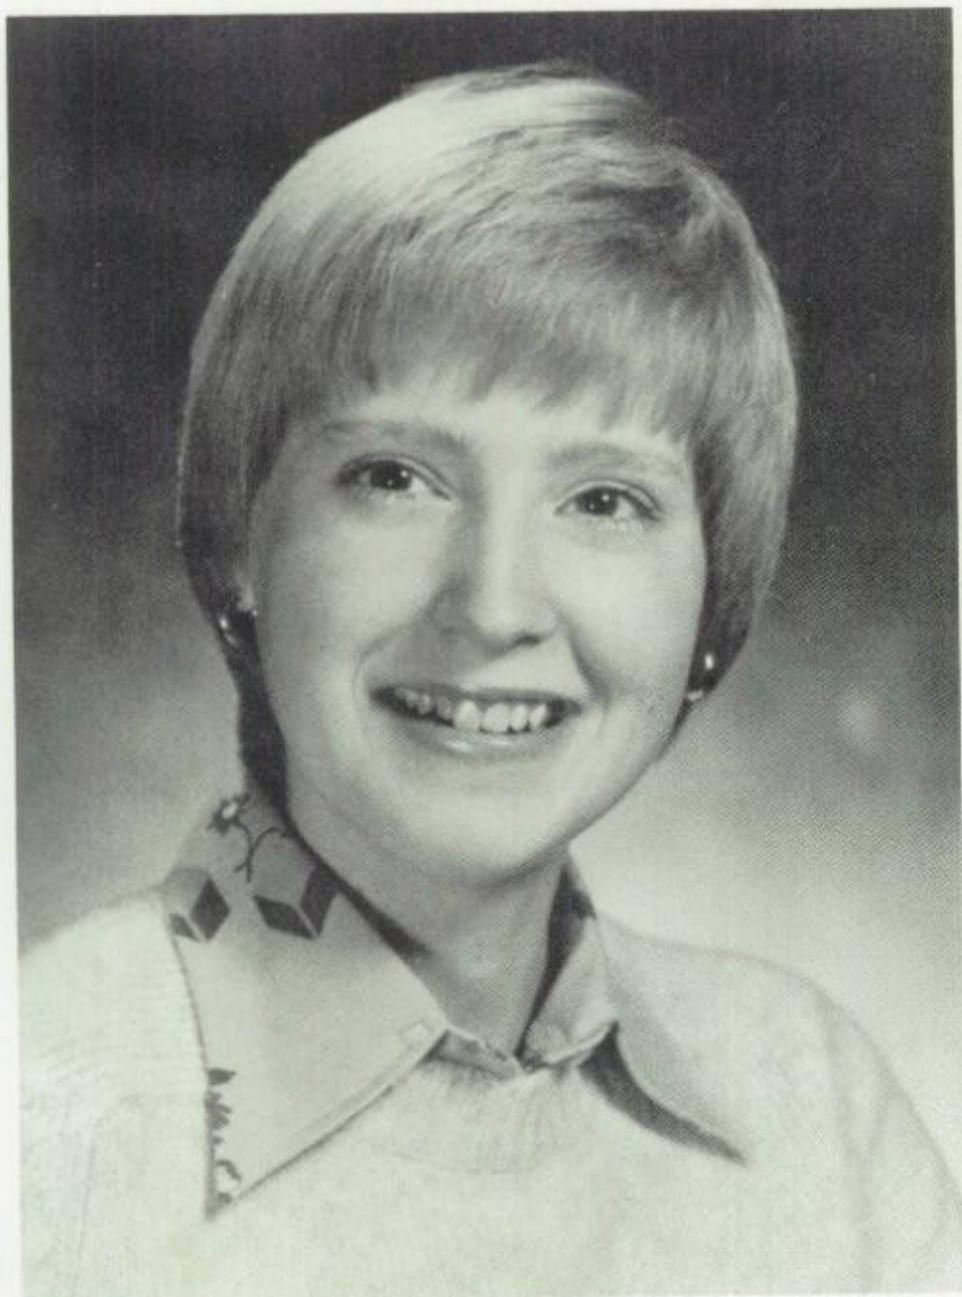

I doubted if I should ever come
back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood,
and I —

I took the one less traveled by,
And that has made all the differ-
ence.

Look to this day!
For it is life, the very life of life
In its brief course lie all verities
and realities of your existence:
The bliss of growth;
The glory of action;
The splendor of beauty;
For yesterday is already a dream, and
tomorrow is only a vision;
But today, well lived, makes every yesterday
a dream of happiness, and every tomorrow a
vision of hope.
Look well, therefore, to this day!

Yes it's going to be a day
There is really nothing left to
Say but
Come on morning.

And maybe there are seasons
And maybe they change
And maybe to love is not so strange

Well what'll you do now
my blue eyed son?
What'll you do now
my darlin young one?

I'm goin back out
fore the rain starts a fallin
I'll walk to the depths
of the deepest dark forest
Where the people are many
and their hands are all empty
Where the pellets of poison
are flooding my waters
Where the home in the valley
meets the damp dirty prison
Where the executioner's face
is always well hidden
Where hunger is ugly
Where souls are forgotten
Where black is the color
Where none is the number
I'll see it and tell it
and think it and breathe it
Reflect from the mountain
so all souls can see it
I'll stand on the ocean
until I start sinkin
But I'll know my song well
before I start singin
It's a hard, hard, hard, hard
It's a hard rain's a gonna fall.

Oh WOW!!

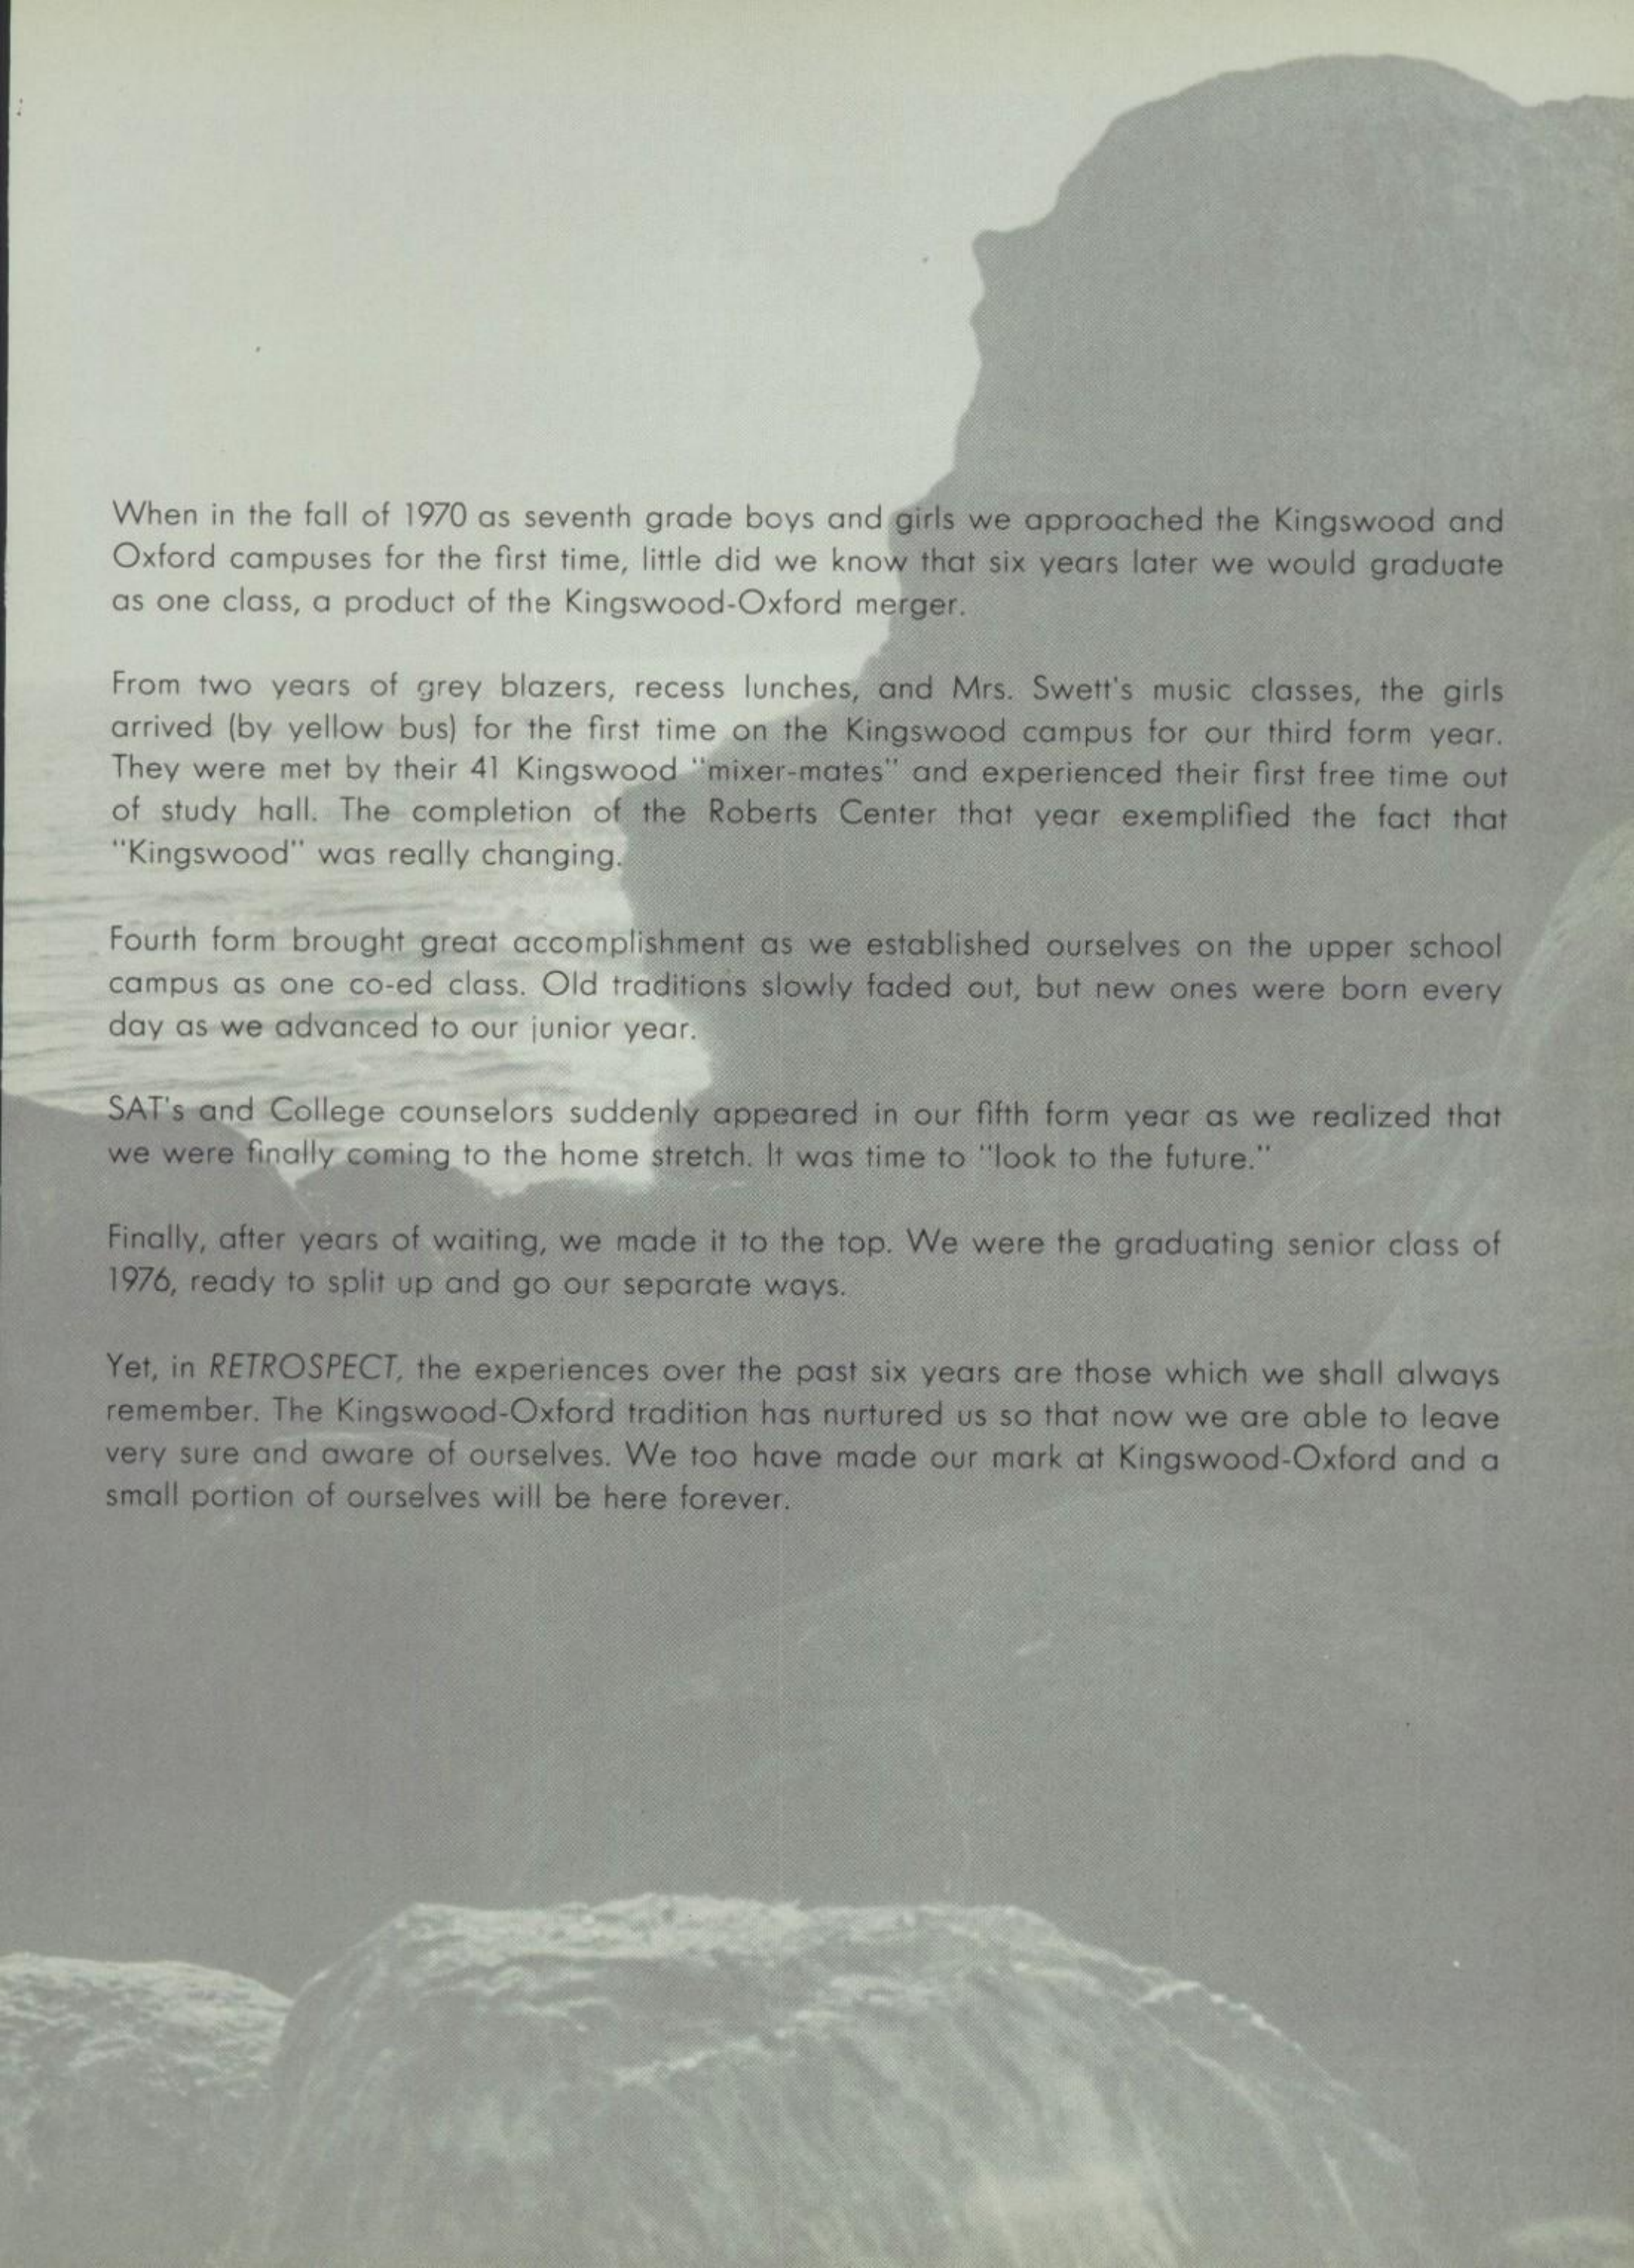

You've got a prayer.

It's a Plopp.

And you ask why we had a losing season!

When in the fall of 1970 as seventh grade boys and girls we approached the Kingswood and Oxford campuses for the first time, little did we know that six years later we would graduate as one class, a product of the Kingswood-Oxford merger.

From two years of grey blazers, recess lunches, and Mrs. Swett's music classes, the girls arrived (by yellow bus) for the first time on the Kingswood campus for our third form year. They were met by their 41 Kingswood "mixer-mates" and experienced their first free time out of study hall. The completion of the Roberts Center that year exemplified the fact that "Kingswood" was really changing.

Fourth form brought great accomplishment as we established ourselves on the upper school campus as one co-ed class. Old traditions slowly faded out, but new ones were born every day as we advanced to our junior year.

SAT's and College counselors suddenly appeared in our fifth form year as we realized that we were finally coming to the home stretch. It was time to "look to the future."

Finally, after years of waiting, we made it to the top. We were the graduating senior class of 1976, ready to split up and go our separate ways.

Yet, in *RETROSPECT*, the experiences over the past six years are those which we shall always remember. The Kingswood-Oxford tradition has nurtured us so that now we are able to leave very sure and aware of ourselves. We too have made our mark at Kingswood-Oxford and a small portion of ourselves will be here forever.

SIXTH FORM

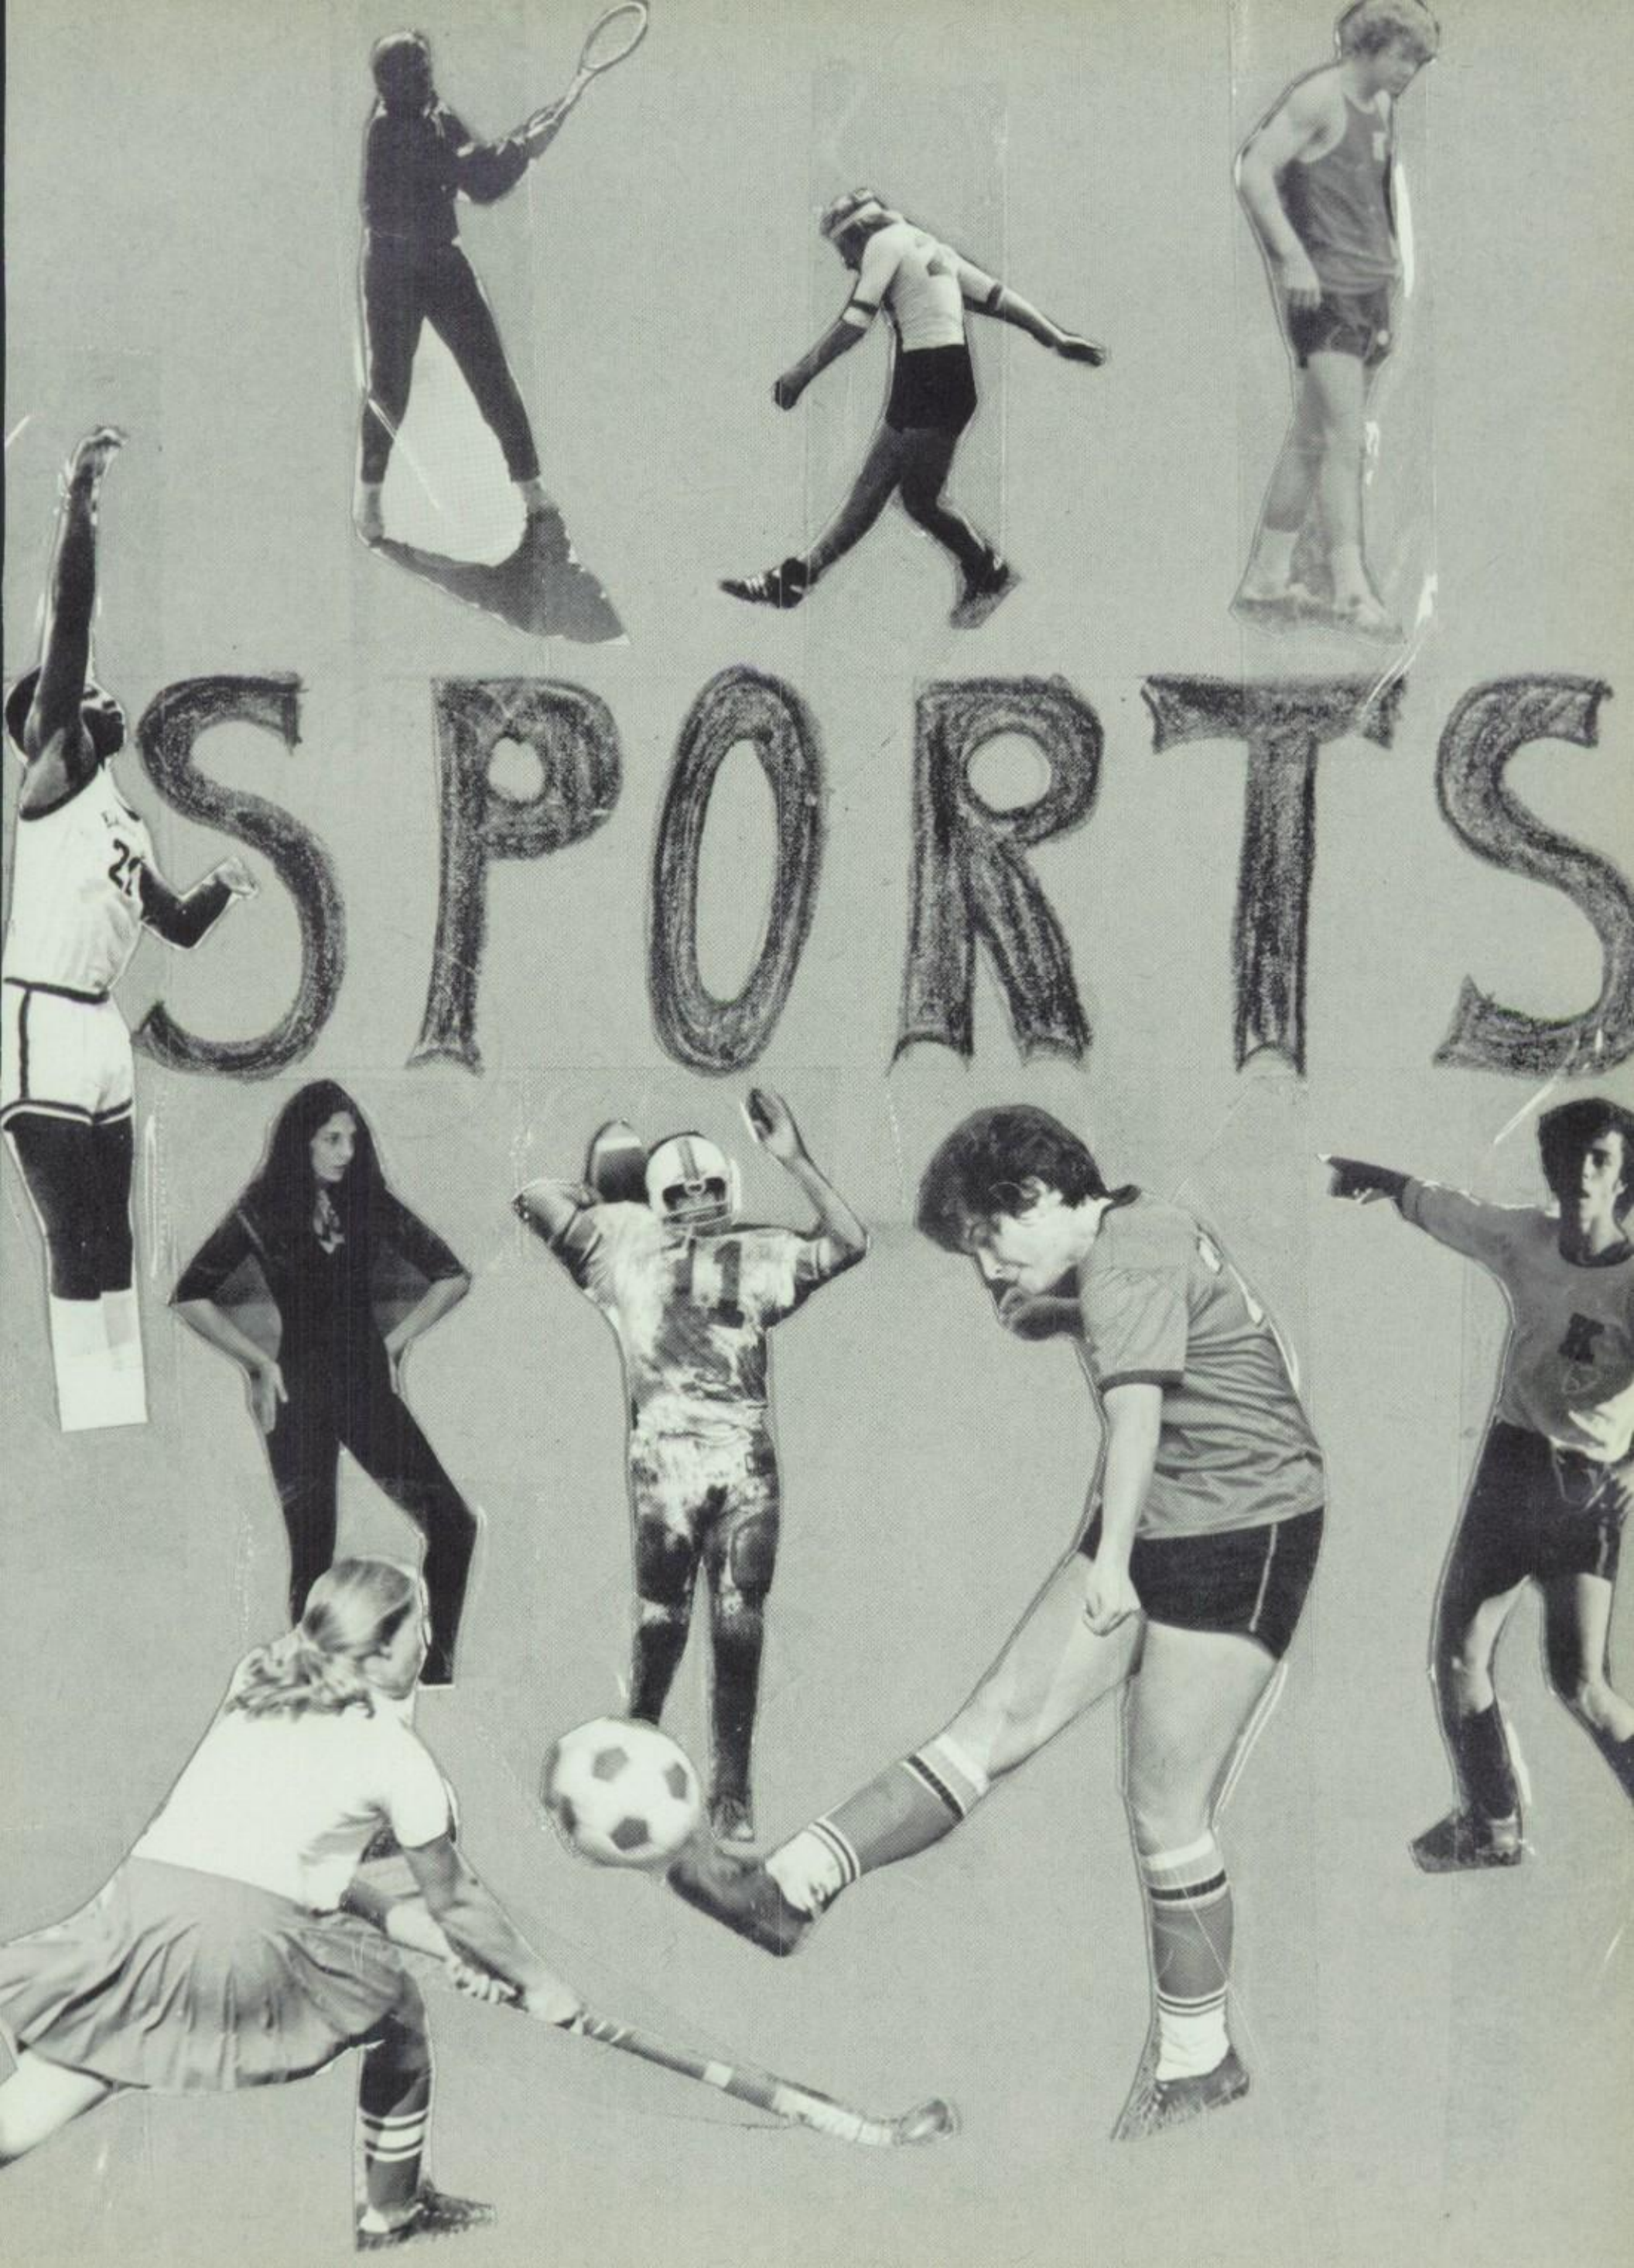

One of the most dramatic changes on the Kingswood-Oxford campus has been the improvement of the athletic department. Under the direction of Mr. Joe Alissi and Miss Lorna Hunter, the program has been expanded to encompass a greater variety of sports for both girls and boys.

The availability of outside facilities now makes it possible to offer both ice hockey and swimming as varsity sports. Gymnastics, track, and girls varsity soccer are also new additions to the program. Along with their demanding schedules, Kingswood's teams have been fortunate to participate in many tournaments in recent years. The CIWA's and the St. Stephen's, along with the ski team's and cross country's participation in the New England competition and our K.I.T. have become annual events. This year the varsity basketball team had the incredible opportunity to travel behind the iron curtain to participate in the Prague Invitational Tournament.

Girls' sports has not yet reached the height for which it is striving, but the undefeated season of the girls' soccer team this year serves as evidence that the program is definitely headed in the right direction.

Sports is an important part of the Kingswood curriculum. It provides an opportunity for the school to unite as a community by bringing players, coaches, and spectators together in a joint effort to compete and have fun.

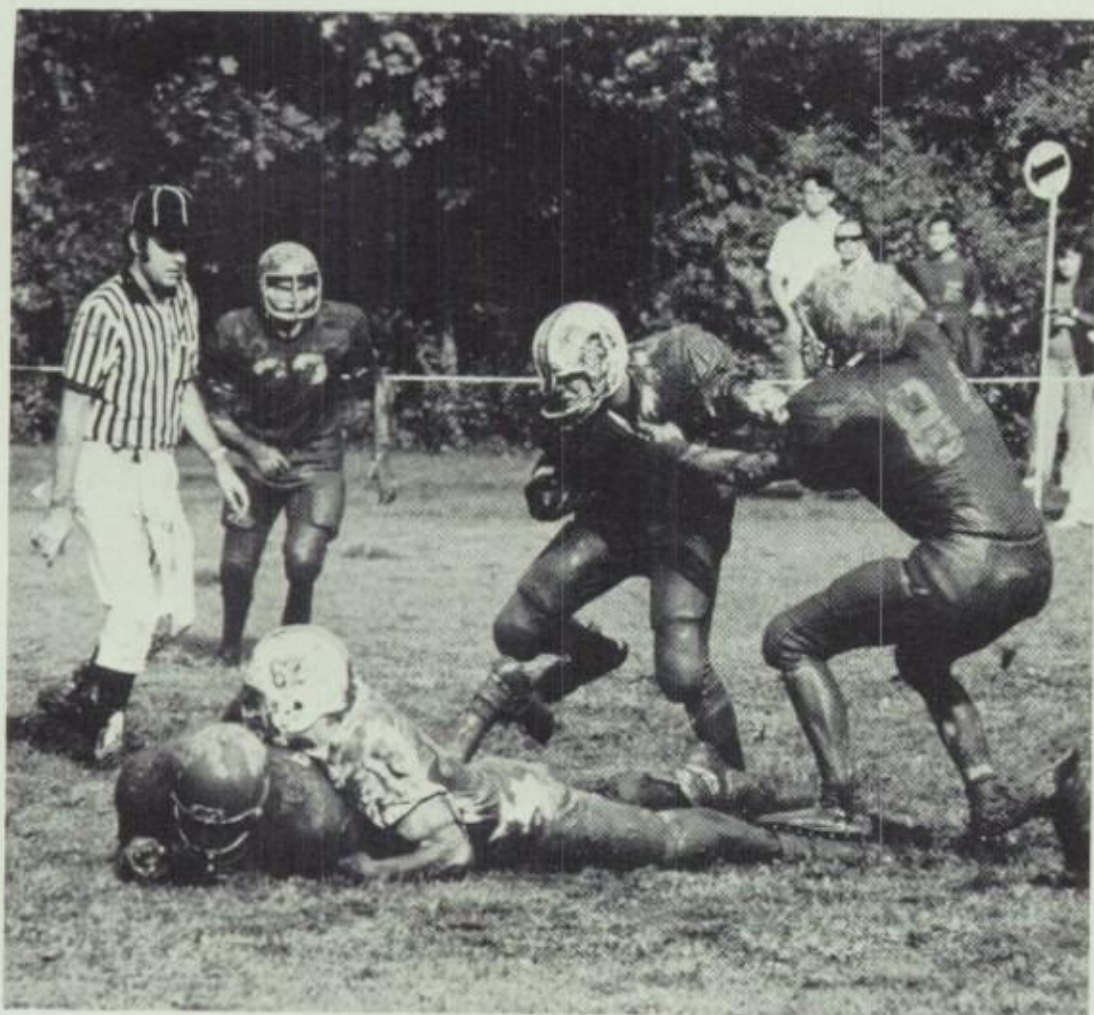

VARSITY FOOTBALL

Row One: Grody, Karsky, Coursey (co-captain), Avery (co-captain), K. Frank, Mahoney. Row Two: A. Schwartz, S. Schwartz, Chambers, Marsh, MacFarlane, Davidson, Coldwell. Row Three: Dunn, Daniels, James, Blank, Bradley, C. Herbert Row Four: VanVleck, Hopkinson, Namnoun, Haverty, S. Frank, DeBerry Row Five: Belden, J. Herbert, Wilson, Graham, Travers Row Six: Turco (manager), Elliot, Shannon (manager), D'Apice, Fierberg

The Varsity Football team finished its season on a winning note, losing only one game of its last five to end a disappointing year at 3-4-1. The Wyverns started out their year against powerful Kent (89-0) and lost 38-26. The Black and Crimson then lost two in the waning moments, as they lost to Taft (4-3) 13-0 and Loomis (7-1) 20-7. The following week, the Kingswood squad traveled to Vermont and tied tough Vermont Academy (4-1-3) 7-7 in the rain. The Wyverns then easily beat Trinity-Pawling 14-0. Westminster edged the gridmen 15-13 in another rain soaked battle. The Wyverns finished their season with wins over Hopkins, 28-8, and Avon Old Farms, 10-7. One telling statistic that attests to the closeness of these games is that the Wyverns had greater total offense in every game except Kent.

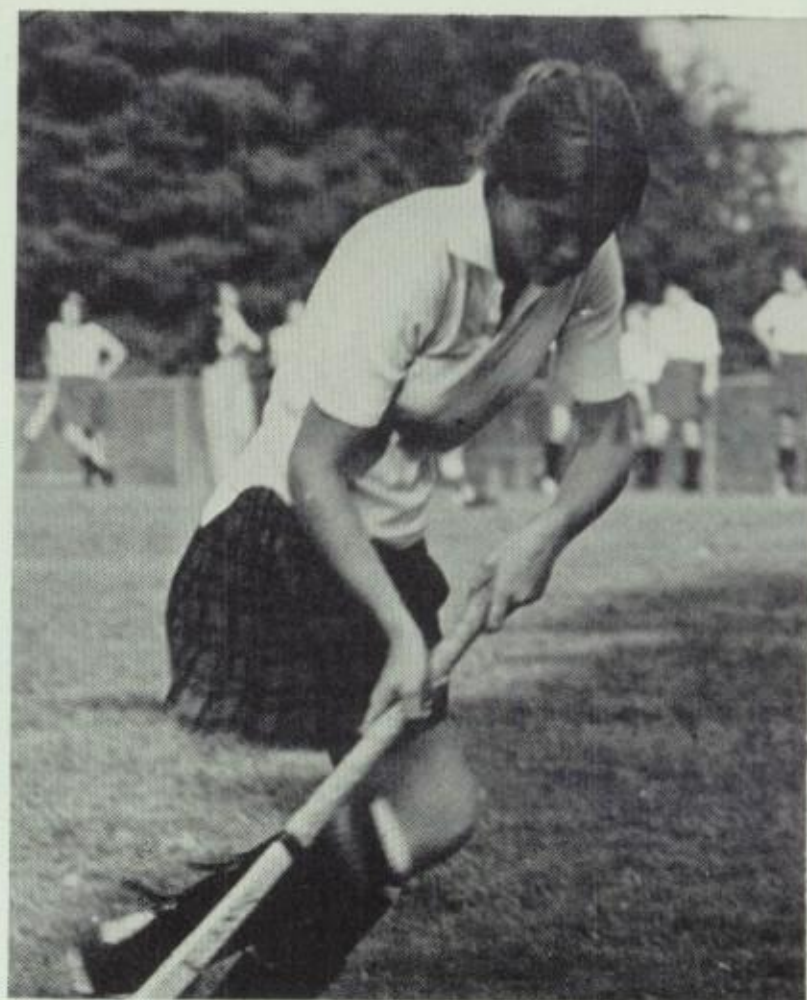

The team will be losing many fine players, especially in the line. Offensively, the team will miss Ken Frank, Tee Chambers, Kirk MaFarlane, Pat Avery, George Grody, and Alex Schwartz. On defense, Marty Coursey, Brad Karsky, Scott Schwartz, Matt Coldwell, Jamie Marsh, John Mahoney will be hard to replace. Next year's team will be built around a nucleus of tri-captains Ken Namnoun, Rand Hopkinson, and Stu Frank.

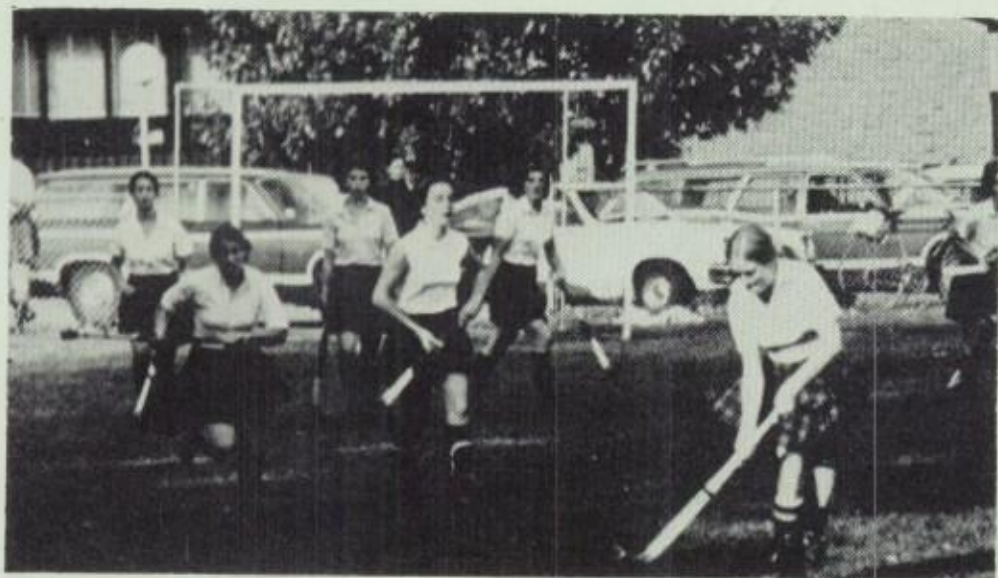

ROW TWO: Howard, Martin, Johnson, Noyes, Reynolds, Fahy, O'Rourke, Campbell, Tyler, Ms. Nolan (coach)
 ROW ONE: Willard (tri-captain), Thomson (tri-captain), Simons (tri-captain)

Despite an unimpressive record, this year has been a major accomplishment for the field hockey team. Hoping to get a "head start", Coach Suzanne Nolan, assisted by Ms. Anne Green, organized pre-season practices this year which proved instrumental in the team's formation.

When the games started, it was obvious that this year's team was in good shape. Although the team lost their first few games against some of their most challenging competitors, they were close games in which the team put up a good fight.

Getting stronger and more experienced with every contest, victory was finally achieved in a rematch against Ethel Walker. A Single score made by Mary Martin gave Kingswood-Oxford the game. The team then went on to other wins including Suffield and arch-rival Chaffee.

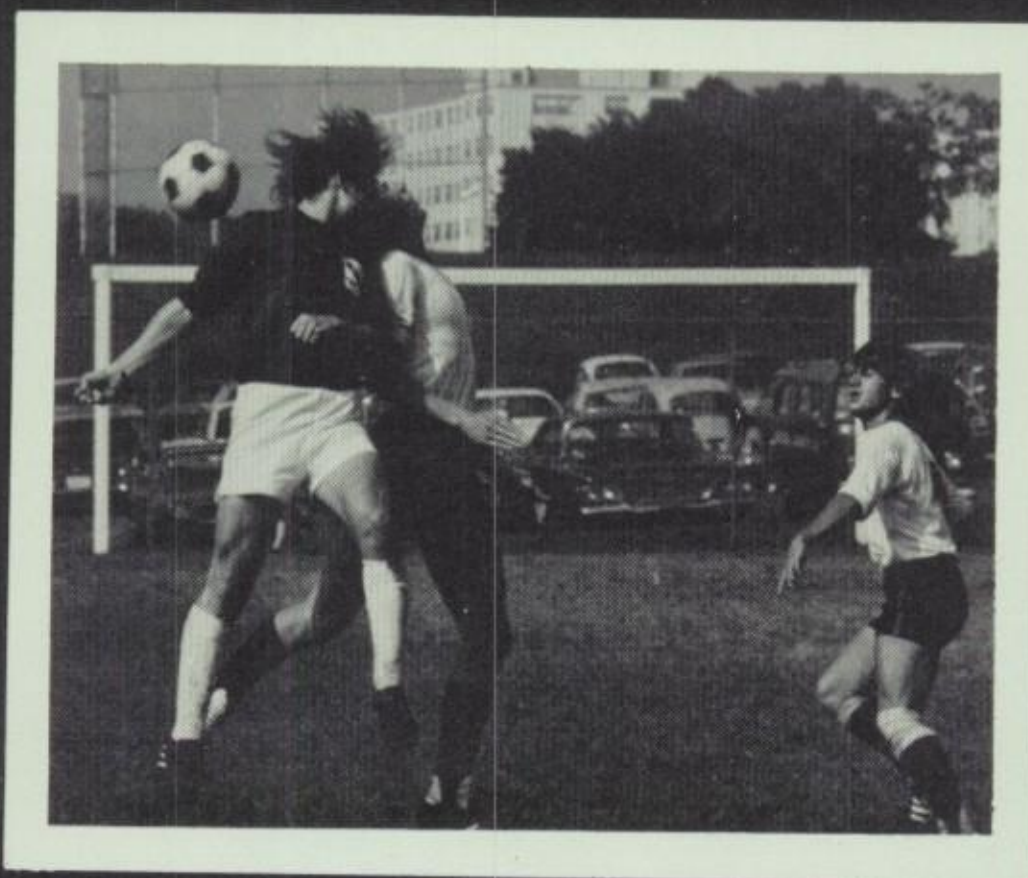

ROW ONE: Ribadeneyra, Sharif, Barnes, Nolte, (co-captain), Mooradian, Eddy (co-captain), McAuliffe
 ROW TWO: Fasano, Sheintop, Deephouse, Painter, Brown, Hastings
 ROW THREE: Waters (coach), Glassman, Lankin, Newman, Crawford, Pierce, Rosensweig, Williamson (coach)
 ROW FOUR: Dixon (coach)

VARSITY SOCCER

The varsity soccer team had a relatively disappointing year as they produced a record of two wins, eight losses, and four ties. During the year, the team came up against teams who possessed foreign players of superior ability. However, Kingswood-Oxford always put forth their best effort and never gave up the fight.

Led by co-captains Peter Eddy and George Nolte, K-O gained its first victory against Taft in the third game of the year. The game saw excellent defensive efforts from Dick Barnes, Mike Crawford, and Scott Newman. Jeff Lankin also played a superior game in the goal.

The second and last victory came against Hopkins. The score was 2 to 1 with the Kingswood goals scored by Adam Sharif and Tom Ribadeneyra.

The highlight of the season was when the team tied the number one ranked team in our league, Choate. This game was marked by excellent passing and fabulous hustling by the Kingswood-Oxford team. They consistently beat Choate to the ball and ran circles around them with their pinpoint passes.

Although they will lose the talent of George Nolte, Dick Barnes, Jim Mooradian, and Jim Brown, the team looks forward to a strong season with its sixteen returnees under the leadership of co-captains Peter Eddy and Scott Newman.

VARSITY SOCCER 11-0-0

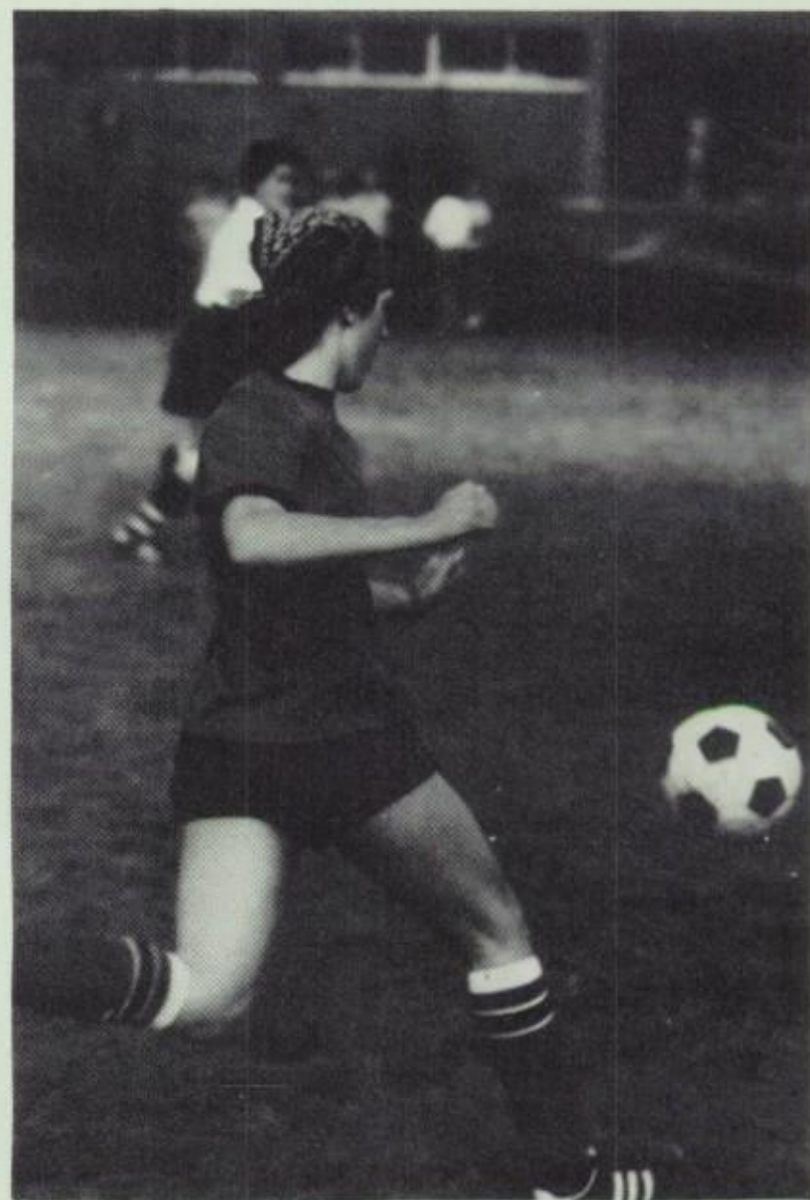

Row One: Reynolds (co-captain), Race (co-captain). Row Two: Taylor, Anderson, Emery, Calvert, VanDyck, Tryon, Putnam, Lazor, Han. Row Three: H.A.T. (coach), Cosgrove, Siegel, Manion, Modisette, Lorden, Francis, Smith, Yellin, Shepherd, Zabel, Bush, Ulcickas, McKenna (manager)

In only their second year of varsity competition, the women's soccer team combined a prolific offense with a tenacious defense as the foundations for an incredible, undefeated season. Rebounding from the 1974 season of 2-7-1, Coach Andrew Thomsen's team amassed a staggering forty goals while allowing a mere six on the way to their eleven consecutive victories.

Senior Mary Beth Cosgrove lead the team's scoring with 15 goals including six game winners. She

garnered K-O's only hat trick in the victory over Rosemary Hall. Senior inner Ann Francis notched eight goals, three assists and two game winners. Jenny Smith added four scores including the clincher versus Westminster. The defense was led by co-captains Marie Race and Linda Reynolds, who both played consistently well all year. An important cog in the defense was senior goalie Wendy Brewer's exceptional play in the goal. While playing in ten contests, she recorded seven shut outs and allowed only three goals. At midfield, seniors Brenda Lorden, Leslie Shepherd, and Lori Manion combined with juniors Emily VanDyck and Hye-Kyung Han to establish an excellent five person rotation at halfback.

Although the team loses 13 graduating seniors, including Cosgrove, Brewer, Francis, Race, and Reynolds, optimism runs high that the twelve returning players will form a solid nucleus for 1976.

CROSS COUNTRY

ROW ONE: Mr. Rosenthal (coach), Put-Put, Whimp, Brillo, Rat, Bejas, DirtBall, Feeb, Critter, Mr. Doyle (coach). ROW TWO: Lebed, Lederman, Pagonis, Kuhk, Fleisch, Schwolsky, Fowler, Beck (manager)

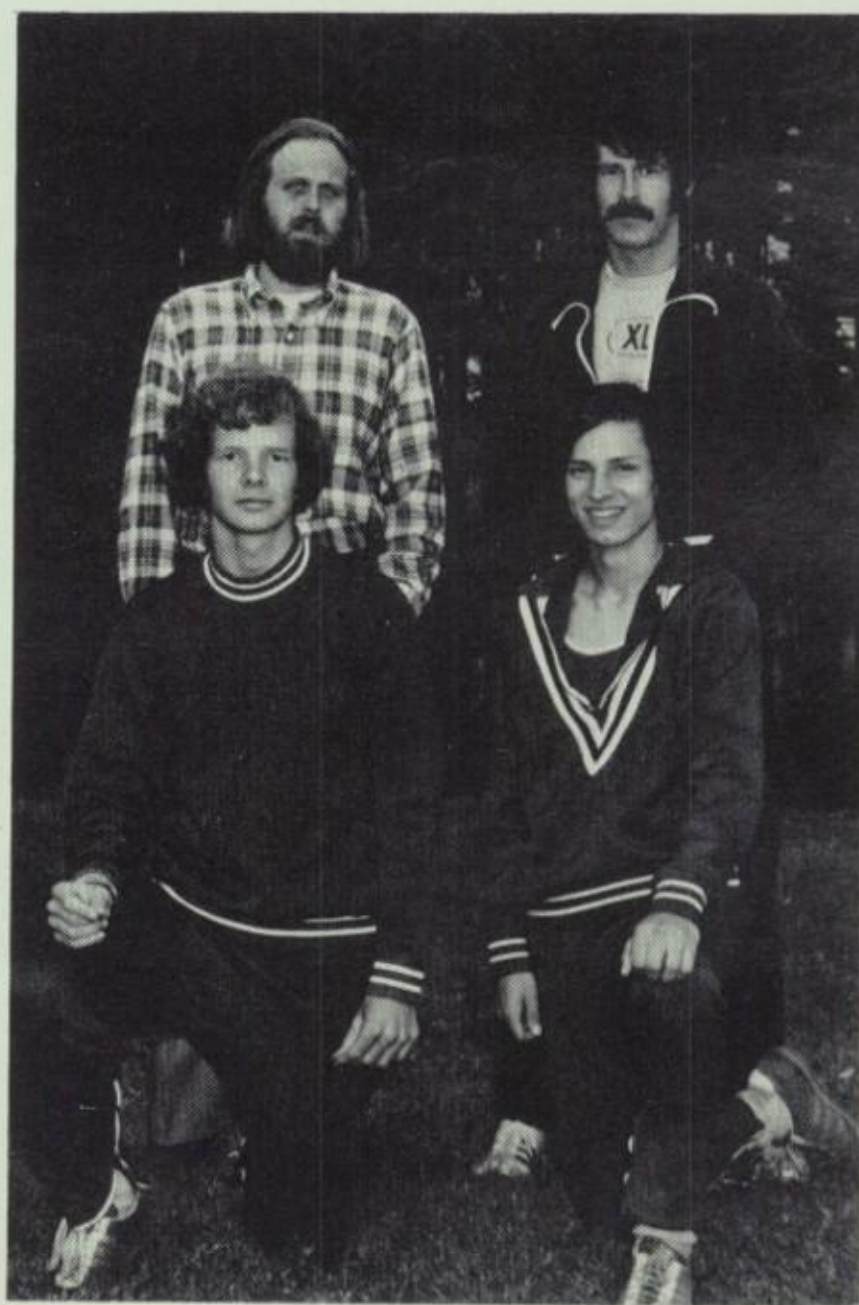

With only a small core of returning lettermen from last year's New England Championship team, co-captains Jon Bees and Mike Pailas looked toward a rebuilding season. Lack of experience and depth were made evident by two disappointing defeats to both Taft and Loomis, breaking the Wyvern harriers' three year winning streak at Elizabeth Park.

The 1975 season was by no means a total loss, however, as Jon Bees and Mike Pailas, followed by Andy Putnam, Phil Moran, Marc Weist and Rick Gersten, earned a 5-5-1 record. Jon Bees finished first in all but one dual meet, and still holds the course record at both Suffield and Avon Old Farms. Mike Pailas finished in the top four at all dual meets, paced closely by both Putnam and Moran.

Hopes for a high finish in the New England Championships were not realized, however, as the Wyverns fell to several more experienced teams from throughout New England. Kingswood placed seventh in a field of fourteen schools, with Jon Bees and Mike Pailas taking seventh and thirteenth placed respectively to win individual awards.

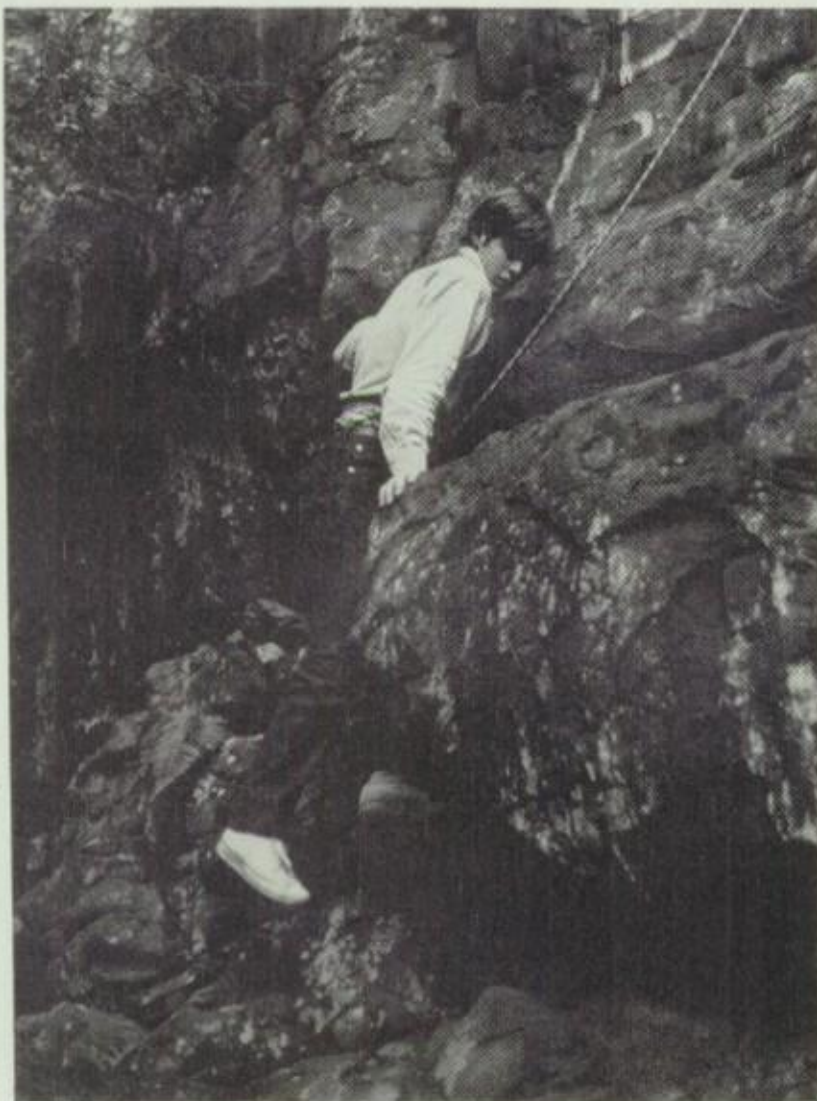

Next year's squad, to be led by co-captains elect Phil Moran and Marc Wiest, should prove to be a more experienced group. Returning lettermen Rick Marvin, Rick Gersten and Bob Udolf will complete the core of the varsity next fall.

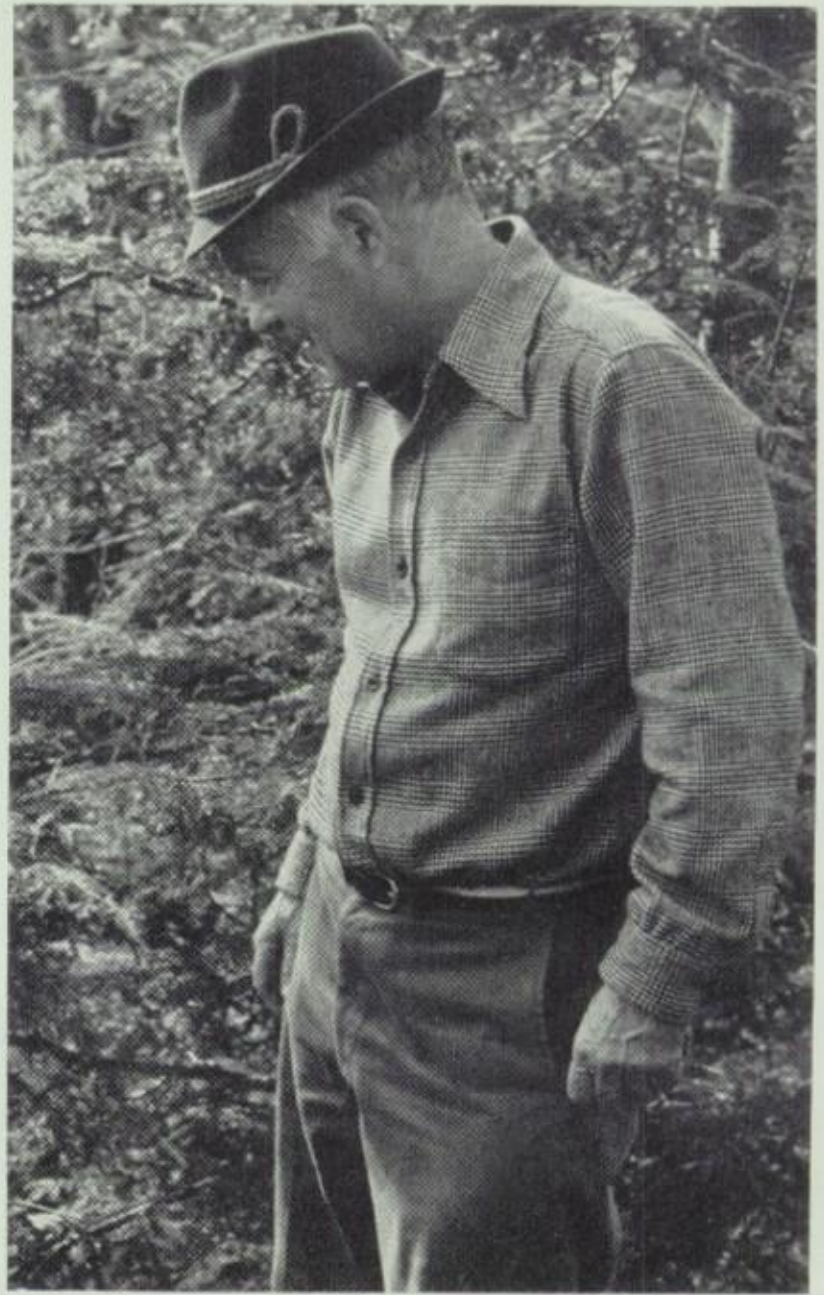

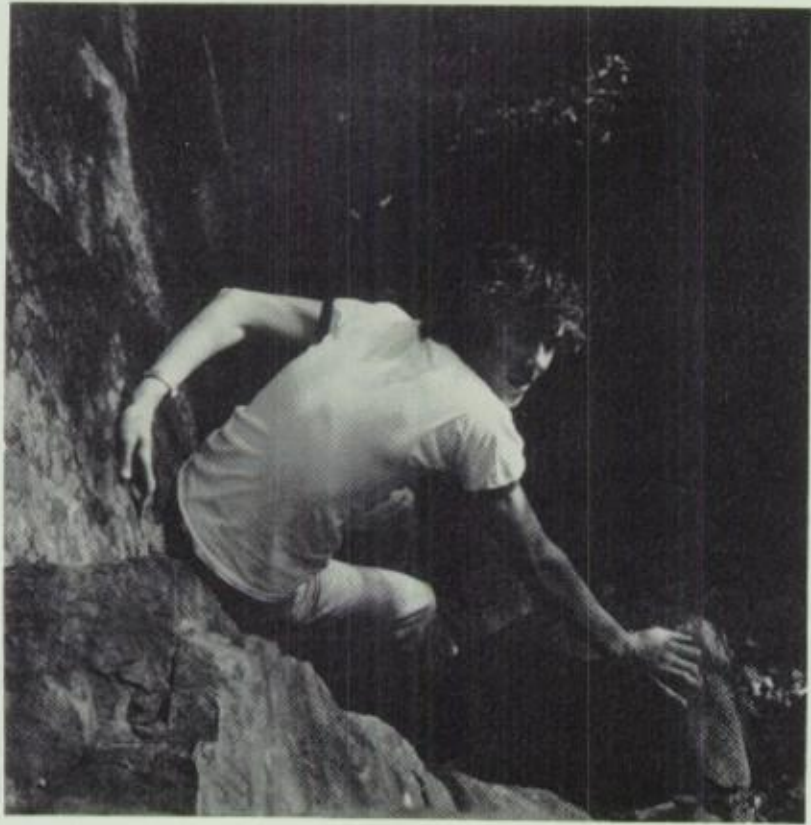

MOUNTAINEERING AND CYCLING

ROW ONE: Paliocha, Mull, Buths, C., Griffin, Wellwood, Small, Jacobs, Little, Margolis, Edgerton, O'Meara, Curcio, Lebowitz ROW TWO: Fishman, Sly, Tuite, Kosar, Levine, Buths, J., Richman, E., Beach, Madden, Berard, R., Brotherhood, Tori, Grody, S., Mrs. Wilson, Morrison, Mr. Duke, Warner, A., Warner, D., Hurwitz, Mauck, Gorman, Karliner, Macko, Torrey

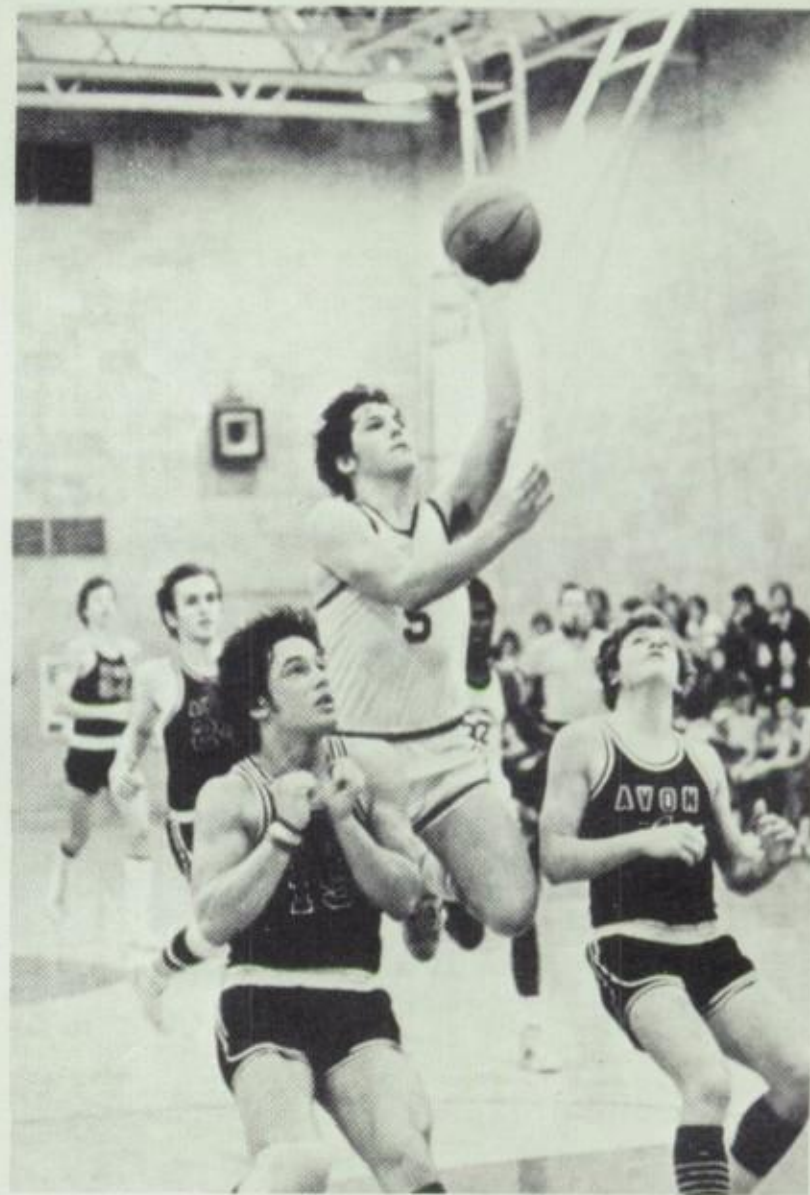

Row One: Moran, Beckerman, Ribadeneyra, Wilson, Avery, Meaney, Frank, Brennan, Graham. Row Two: D. Doyle (coach), G. Schwartz (Manager), Kessler, A. Schwartz, D'Apice, Harris, Fierberg (manager), Varca (manager).

VARSITY BASKETBALL

The Kingswood — Oxford basketball team, led by Captain Patrick Avery, highlighted its season by taking first place in both the KIT and the Prague Christmas Tournament. The team beat Wilbraham-Monson, Taft, Choate, Avon, and Hopkins in early season action.

The basketball quintet was led by KIT MVP John Meany and Phil Moran at guards, Avery, Randy Kessler, Stuart Frank, and Doug Harris at forwards. Also contributing were Paul Brennan, Tim Ribadeneyra and Alex Schwartz.

The team was 3-1 against the Czechs, and their trip included exhibitions in Paris, France, and Barcelona, Spain.

VARSITY BASKETBALL

Row One: Smith (co-captain), VanDyck (co-captain) Row Two: Martin, Zabel, Shepherd, Tryon, Title, Rosie (coach), Caldwell, Reynolds, Fahy, Howard, Calvert

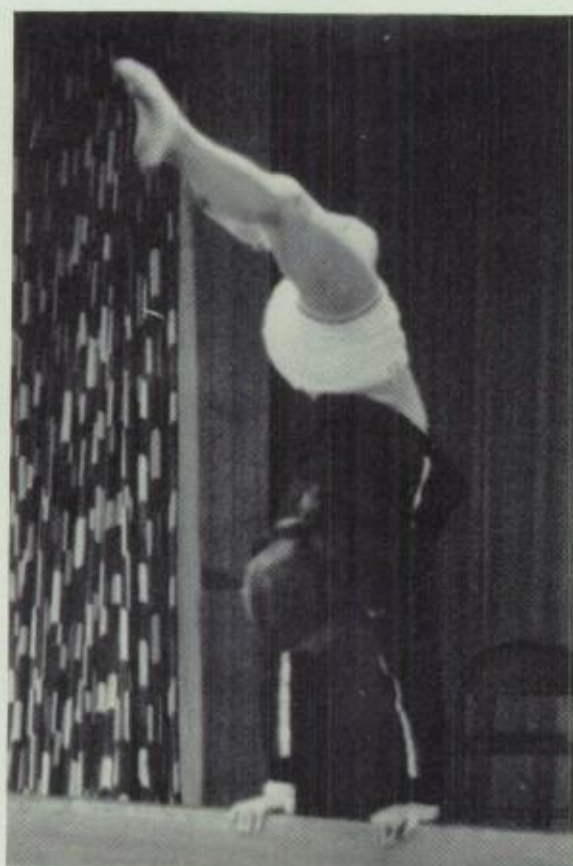

The basketball team had a very satisfying season. They went into their toughest games, Taft, Porters and Pomfret, very confident and came out having learned a lot. Jennie Smith provided the team with stability, height and a great jump shot. Linda Reynolds and Leslie Shepherd both added

depth to the bench. Once again coach Todd Rosenthal lead a strong team of girls into a winning season.

Downes, Cuda, Miller, Schaefer, Dodd, Barrett, Malinconico (co-captain), Davenson, Lazor, Silk, Juros.

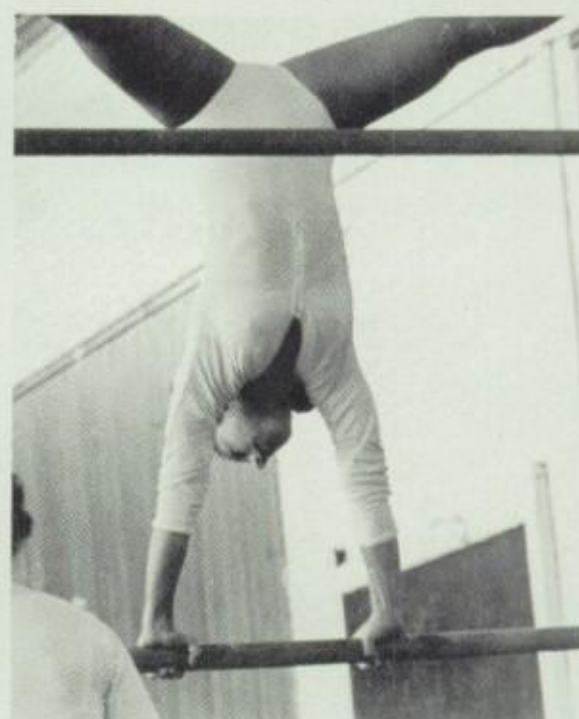

squad sent foes tumbling, behind co-captains Chrissy Malinconico and Patti Davis.

The girls were led this year by Patti Davis, Chrissy Malinconico, Stacy Silk, Jenny Juros, Maggie Gerke, Diana Barrett, Diane Lazor and Manager Marsha Davenson.

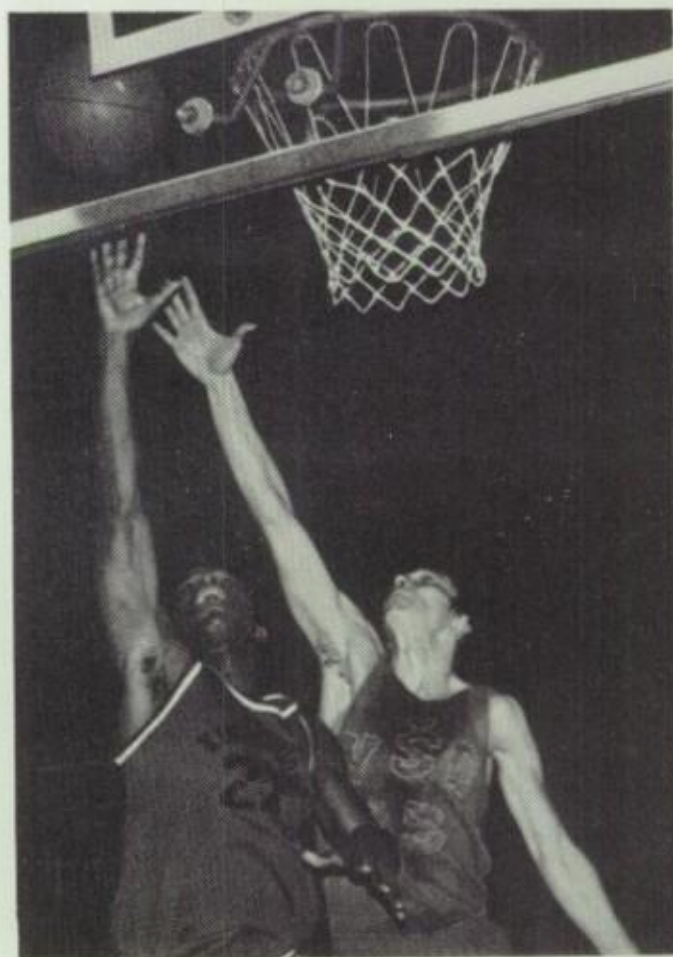

The highlights of the gymnasts' season was the Cushing Invitational Tournament, an eight team meet which they won last year. Since many gymnasts are in the Third Form, the future of the team is promising.

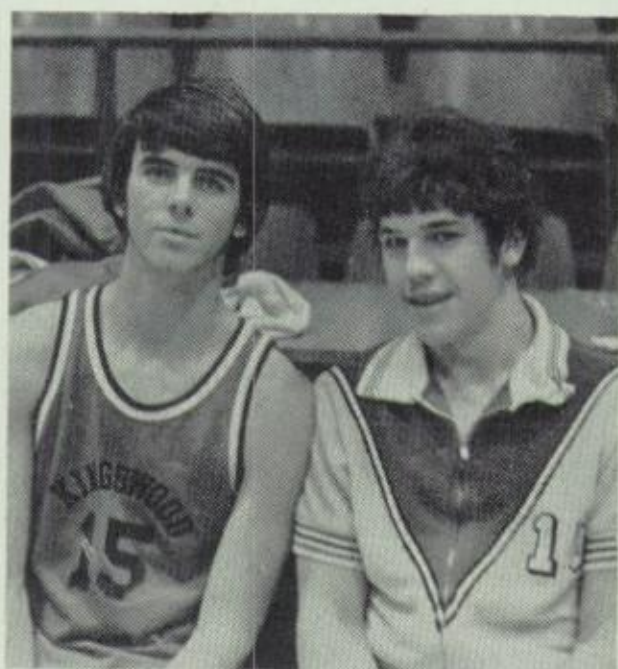

The gymnastics team finished its third straight successful season. Coach Karen Hall's

PRAGUE

The Kingswood Varsity Ski Team, with co-captains Rand Hopkinson and Mike Morrison leading the way, looks forward to an excellent season with a host of superb ski team members.

The team finished third in its most recent meet behind Berkshire Academy, a perennial slope powerhouse, and Hotchkiss, also a strong team. The team's top finishers were Morrison, Hopkinson, and the two McKennas, but Berkshire and Hotchkiss were very tough. Co-captain Morrison says, "Those two might be the only teams we will really have trouble with."

First year Coach Ben Duke is taking over for John "Moose" Curtis, who left the school last year after coaching the team to the New England Prep School Championship. One of the things Mr. Duke's squad of skiers has going for it is youth since the only two seniors are Morrison and Hugh Bush, and the only juniors are Hopkinson and Byrne. This will, in all probability, be very profitable for the Wyverns.

BOY'S SKI TEAM

ROW ONE: Coach Duke, Simmons, Man. Grody, Barnaby, Rockwell, Helsley, Little Hopkinson, O'Meara, M. Byrne. ROW TWO: Little McKenna, VanVleck, Richmand, Morrison, Blank, Hopkinson, McKenna. ROW THREE: DeGraff, Blackham, Bush, Bernard, Warner, Spencer, J. Byrne, Pierce. ROW FOUR: Wolf.

GIRL'S SKI TEAM

The girl's 1975-76 varsity ski team had a very successful and exciting season. The addition of new talent and a new coach helped greatly in improving the team's already enviable record.

The team this year had a great deal of spirit. One of its most exciting meets this year was a dual slalom against Hall. Another new, added dimension to our schedule was the two invitations to participate in Eastern wide meets. In the Berkshire Invitational, our top four racers copped first, second, fourth, and seventh positions. They also placed well in the Brody Mountain Invitation.

The team wishes to thank their coach Daryl Wilson, for all the energy she devoted to improving the team. With her help and the help of all the active team members, the girl's varsity ski team has truly become a team of skilled and experienced skiers.

ROW ONE: Coach Wilson, Heidi, Taylor, Capt. Race, Capt. McKenna, Arndt, Stedman.
 ROW TWO: Cosgrove, Ulcickas, Hughes, Lazor, Filer, Roberts, Snyder Manion, _____, DeGraff, Yellin, Filer, Creedon, Bush, Carey, Grody, Dworkin, Bray, Simmons, Thomson.

VARSITY HOCKEY

Row One: Chambers, Popp, Waldman, Frank, Crawford, Herbert, Warfel, Nolte (captain), Nolte, Cramarossa, Putnam, Goldberg. Row Two: Giani, Madden, Maclean, Hughes, Ulcickas, Elliott, Glassman, Janzen, Leventhal. Row Three: Googins (coach), Haines, Raegen, Gladis, Segel, Warner, Nltkin, Walton, Deephouse, Waters (coach).

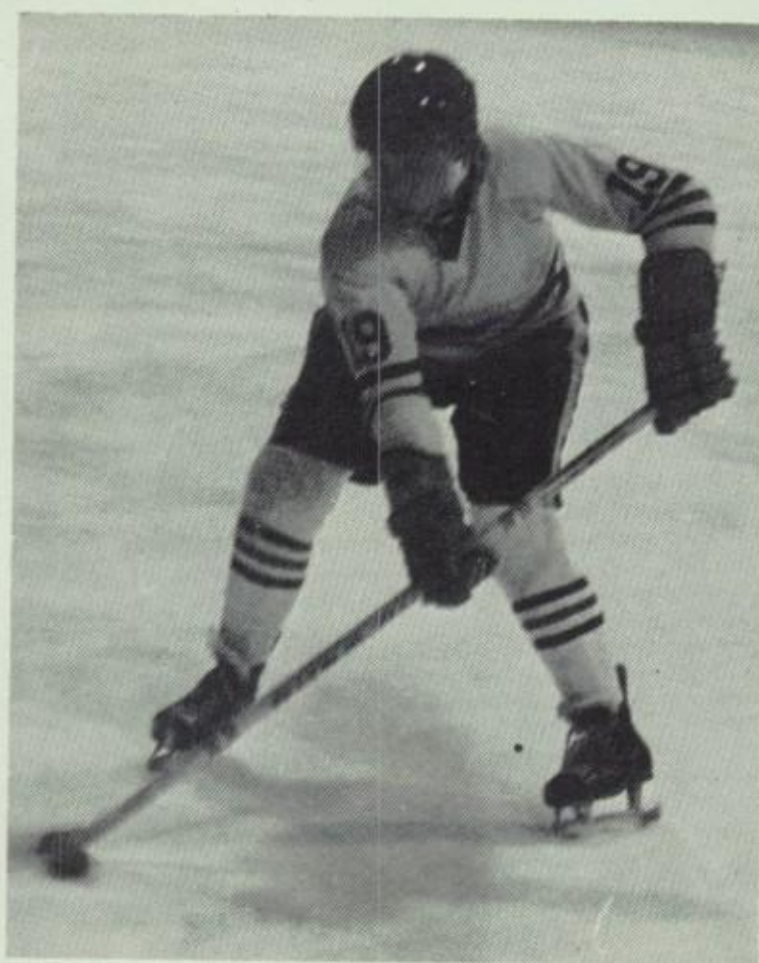

The 1975-76 Kingswood-Oxford Hockey team is the first team in school's history with sufficient skill, depth, and power to play Varsity competition. Kingswood opened its season with a win over Gunnery, then traveled to ancient rival Loomis. Enthusiastic fans and surprised opponents who applauded this 6-4 potboiler (even in zero weather) recognized that despite the final Loomis victory, that the Kingswood Varsity is now a team no longer to be lightly regarded. December began inauspiciously with two fine players, co-captain Charlie Herbert and right winger Paul Turco, lost for the season to injury. In their places the first crop of "rookies" from lower school hockey were welcomed to the Varsity: young players like Levanthal, Elliot, Janzen, and McLean impressed with their speed and stick-handling. Ultimately the experience and teamwork

of such players as Tom Powers, Andy Cram arossa, Jamie Reagan, and John Herbert will decide which way the present .500 season will turn. The season is very young and ahead lie formidable opponents Williston, Wilbraham, Berkshire, and Hall.

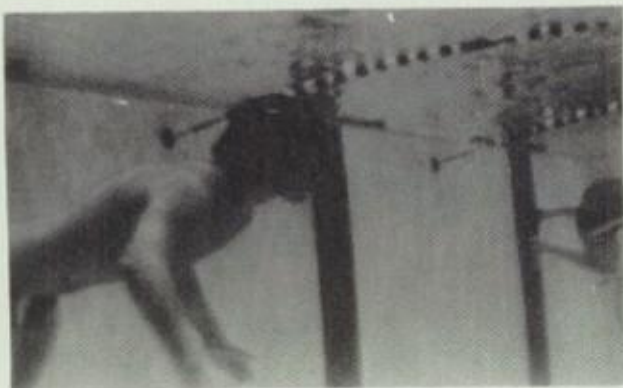

The present senior players are unique. Co-captain Mike Warfel, a slick skater and play-maker, and Goalie Andy Putnam with over 60 games in net, have provided the leadership and stability on defense. Jim Popp, Jim Waldman, George Nolte, and "The Icer" Ken Frank have been the core second line, muscling on the boards and checking across all zones. Pond skaters turned hockey players, these seniors, all sorely to be missed, have logged endless hours of early practice, travel, countless bruises, penalty minutes, and starts and stops. Their dedication has built a Varsity team.

VARSITY SWIMMING

Row One: Piggott, LeBlanc, Emery, Fowler, Botwick Row Two: Cooley, Baker, Osborn, Goggin, Botwick, Kosar Row Three: Glassman, Ridlon, Jamieson (coach), Weber (coach) Row Four: D'Abate, Mooradian, Gerrol, Fowler, Margolis, Ergin, Sly.

The varsity swim team finished the season having gained much experience. Captains Jay Botwick and Ann Fowler led the team with their enthusiasm as well as their skill. Since there will be many returning lettermen, next year's team should be strong and experienced with the spirited coaching of Peter Rumsey, Ellen Jamieson, and Alain Weber. Such experienced swimmers as Jim Mooradian, Bill Fowler, Brian Sly, Gary D'Abate, and Ray DeMeo added strength to this year's team, while freshmen Dave Ridlon, and Dave Goggin, and junior Tahsin Ergin provide outlook for the future.

Row One: Clifford, Paliocha, Coldwell, Pailas, Lederman Row Two: Doyle (coach), Fishman, Weist, Wellette, Shuskus, Swomley, Mayo, Hanes (coach)

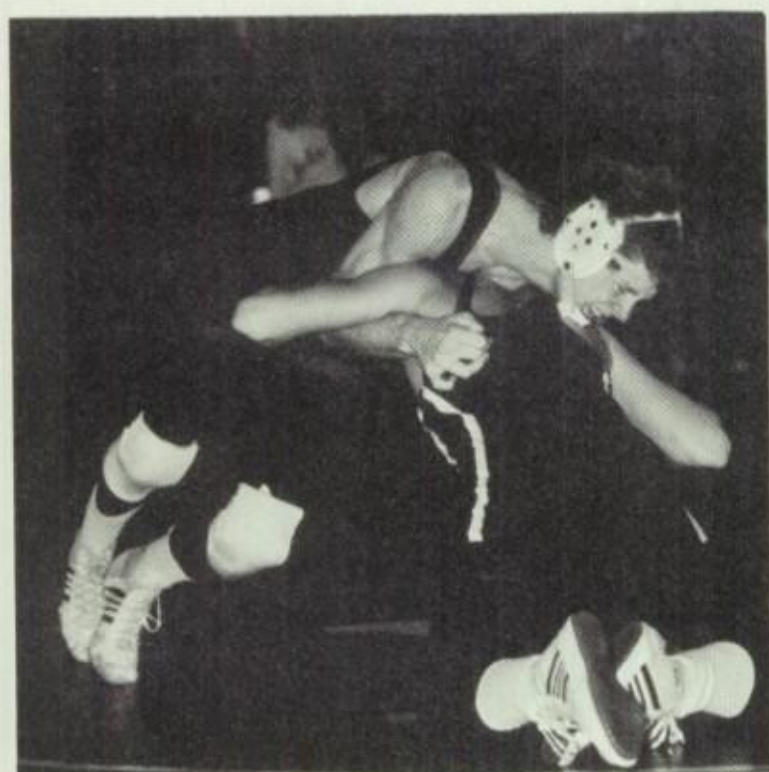

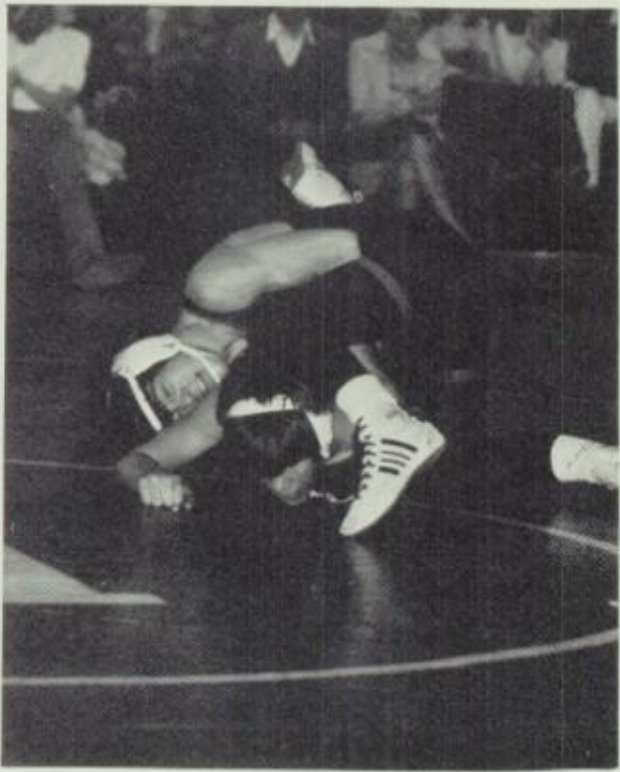

Having graduated five of its eight top shooters, this year's varsity riflery team had difficulty matching last year's undefeated slate. Yet, Coaches Mark Doyle and Tom Hanes felt that, with practice, the squad could become strong in spite of its inexperience. The team was led by returning lettermen Doug Fishman and senior co-captains Matt Coldwell and Mike Pailas. Other shooters of high calibre who completed the Varsity squad included Tom Mull, Bruce Swomley, Ken Yavis, Mark Lederman, Jeff Shuskus, Jeff Wellette, and Steve Paliocha.

VARSITY WRESTLING

Row 1: Powers, S. Felson, Davidson, Haverty, Bees (co-captain), Meyers, Lovesky, Hastings, Cuda. Row 2: Russel, Paulekas, Goldstein, DeBerry, Bradley (co-captain), Mongelo, Eddy, M. Felson, Grody, Hornblow. Row 3: Mahoney, Marvin, Dunn, Roth, Barnes, Hoffman, Jacobs.

The 1975-1976 edition of the Wyvern Wrestling Squad fielded one of the better teams in recent years. They had 10 squad members with varsity match experience. They were hurt by early season injuries to co-captain Don Bradley and Ed Haverty, yet they thrashed ASD 55-2. Both Jon Bees and Dick Barnes jumped out to good starts as they were undefeated for the first half of the season and were showing good prospect for the future. Also wrestling well for the Wyverns this year were Dan Davidson and Scott Dunn. Next year's squad will be led by juniors Ed Haverty, Matt Felson, Rich Marvin; sophomores Peter Eddy, Wayne Paulekas, Dick Hastings, Bob Roth and freshman Peter Meyers.

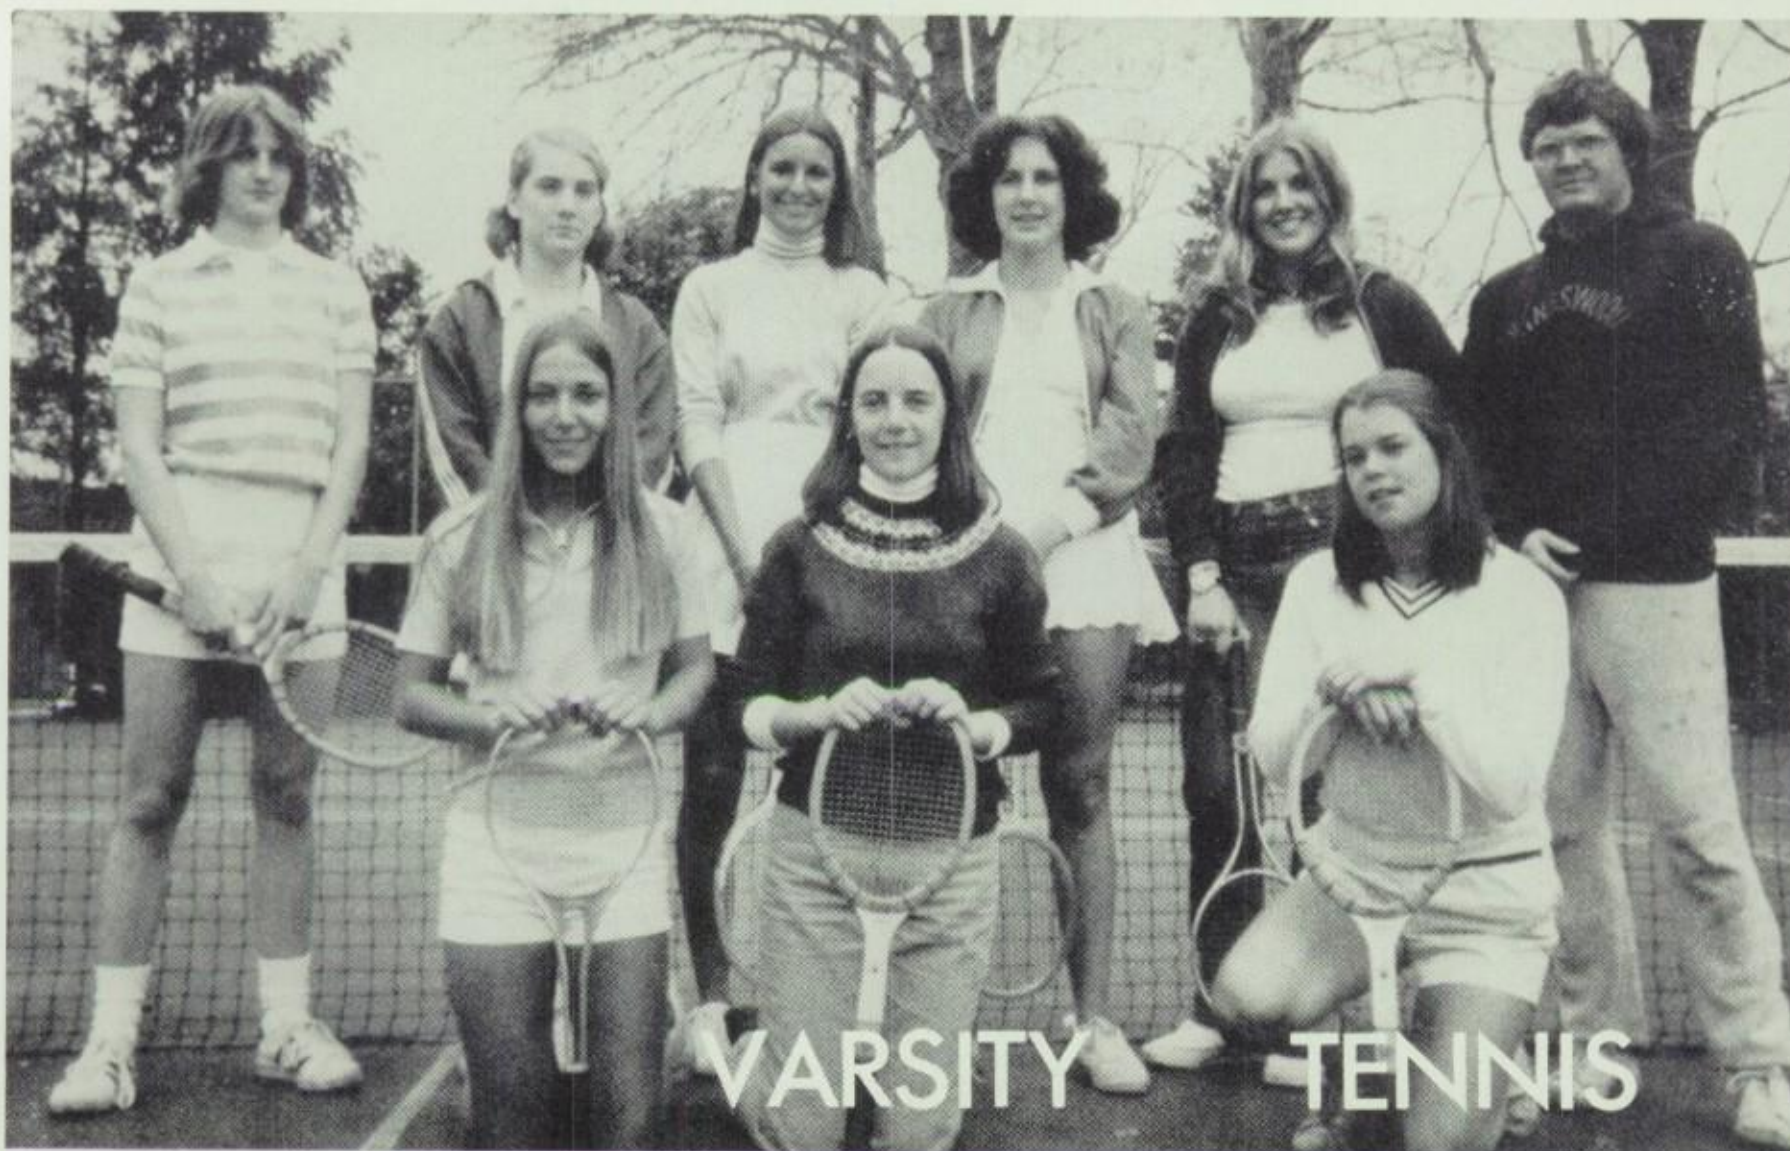

First Row: Putnam, Schwartz, Karsky, Avery (captain), Mahoney, James, Russell. Second Row: Belden, Barnes, Haverty, Van Vleck, Herbert, Powers. Third Row: Harris, Varca, Graham, Pierce, Fierberg. Fourth Row: Roth, Wascowitz, Ulcickas, Travers, Madden. Fifth Row: Turco (manager), Hopkinson, Elliott, Stiehler (coach), Lindsay (coach)

The toughest schedule ever, the earliest opening game in recent years, combined with the loss of eighteen players from the 1975 squad were the major problems facing the 1976 team as the season began. This year's team in its efforts to recapture the Division I title will face defending champion Taft, new league member Deerfield, and the defending high school champions of Massachusetts and Connecticut in addition to such traditional rivals as Loomis, Hotchkiss, and the West Hartford schools of Connard and Hall.

Led by Captain Pat Avery and bolstered by Scott Schwartz, John Travers and goalies Andy Putnam, the defense should be the strength of the team. A pre-season injury to Bill Elliott, however, deprived this group of one of its strongest players. In the midfield Rand Hopkinson, Doug Harris, Doug Belden, and John Mahoney are counted on for scoring while John Herbert, Paul James, and George Pierce are defensive standouts. Newcomers John Graham and Bob Waskowitz are counted on to improve as the season progresses.

Having graduated all the attackmen from the '75 team, the responsibility for generating a scoring offense rests on the shoulders of Tom Powers, Jim Popp, Mike VanVleck, and Ed Haverty. Though inexperienced, all have the required individual abilities to make this a high scoring team.

Row One: Bernard, Thomson, Tryon. Row Two: Martin, Perry, Lazor, Dowling, P., Brewer, Morrill (coach).
Missing: Willard (captain)

Row One: Johnson, Han, Krevolin, Beatty, Simons (captain), Taylor, Gaffney, Norcross, Wedmore. Row Two:
Ms. Nolan (coach), Emery, Langdon, Howard, Tyler, Calvert, O'Rourke, Dawson, Paulin, Ms. Hunter (coach)

VARSITY LACROSSE

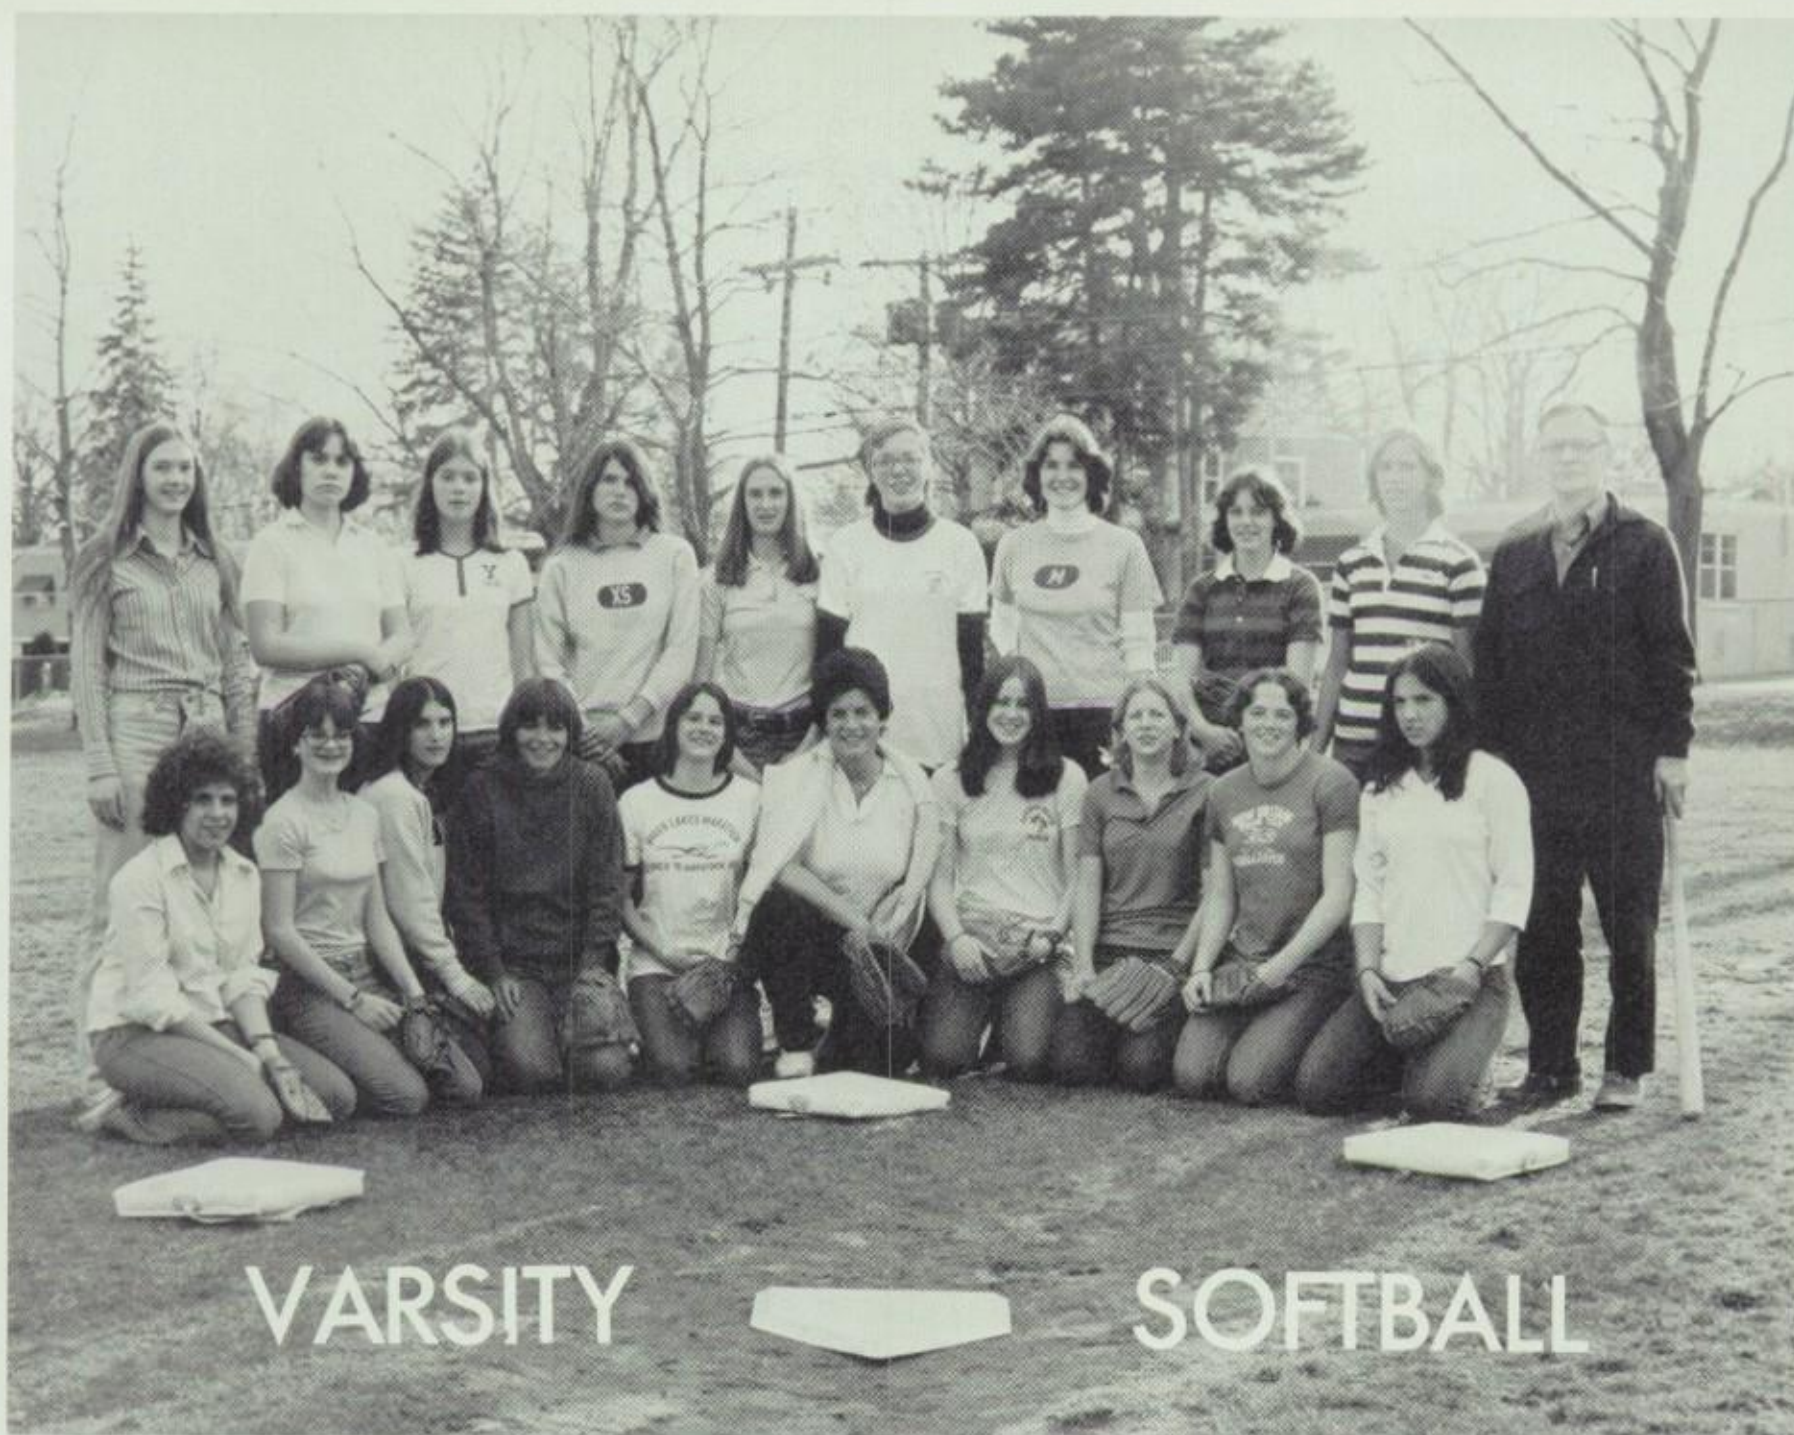

VARSITY BASEBALL

Row One: Daniels, Meany, Frank, S., Chambers (co-captain), Frank, K. (co-captain), Wilson, Johnson, Pearlman, Rosensweig. Row Two: Nelson, Lentz, Cacomo, Collamore, D'Apice, McAuliffe, Glassman, Painter, Sheintop.

Coming off a beneficial pre-season spent in St. Petersburg, Florida the Varsity Baseball team is looking forward to a successful season this year. Co-captains Tee Chambers and Ken Frank will be leading the youthful Wyvern team in efforts to improve on last year's record. This year's team will have to overcome the loss of two starting pitchers along with three other starting seniors. Returnees hoping to fill in these spots are pitchers Frank and John Meaney, infielders Mike DaPice and Stuart Frank, and outfielders Jim Klomes and Jeff Lankin. Also helping to boost this year's roster are several members of last year's J.V. team.

The Wyverns will be faced against such perennial tough teams as Choate, Kent, Loomis, and Taft. To combat these teams the Wyverns will have to combine fine consistent fielding with the wielding of potent bats. Although the team is young and inexperienced, the members should provide for a cohesive winning unit. The team once again is lead by coaches O'Brien and Dixon.

VARSITY

SOFTBALL

Row One: Basking, White, Title, Caldwell, VanDyck, Smith (captain), Zabel, Shepherd, Pigott, Castaldi. Row Two: Davenson, Foster, Putnam, Sigal, Davis, Rogers, English, Gerke, Ulcickas, Mr. Beatty (coach).

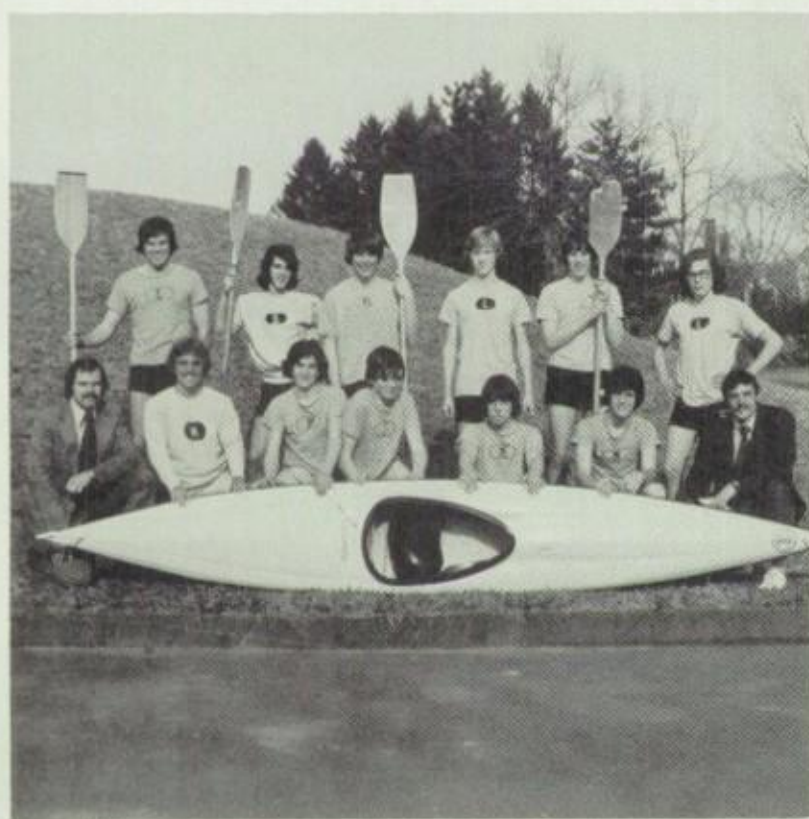

The Girls' Varsity Softball Team has a tough assignment to repeat last year's impressive 10-2 season. However, Captain Jennie Smith, pitching for her third season, has high hopes for coming close to last year's record even with the loss of several very talented players. Pitcher Smith, who led last year's team with two no-hitters, is the mainstay of this young team. She is joined by returning seniors Leslie Shepherd and Anne Ulcickas at center field and first base, juniors Debbie Caldwell and Emily VanDyck at shortstop and third base, and freshman Jill Sigal in left field. Also returning are juniors Jenny Putnam and Marty Foster. There are many enthusiastic players new to team softball who have shown talent early in the season. Libbey Zabel and Diane Title, along with catcher Patsy Pigott should make valuable contributions to rebuilding this team. Coach Frank Beatty is confident for the success of the season because of the many returning players and the new talent.

The softball schedule was increased by two games this year, adding on games against Hotchkiss. Also different from last year's schedule are the five Saturday games and five games to be played on the Kingswood campus.

Row One: DeGraff, Reynolds, Noyes, Groody. Row Two: Kirk, Weist, Goldberg, Lederman, Sharaf, Auchincloss, Pailas, Bees (tri-captain), DeBerry, Ross, Simmons, Fowler. Row Three: DePhillips, Beck, Crawford, Rutter, Nolte, Yavis, Brown, Coldwell (tri-captain), Hill (tri-captain), Botwick, Schwartz, Paulekas.

KAYAKING

Row One: Mr. Hanes (coach), Mr. Waters (coach), Little, Byrne, D'Abate, Fishman, Mr. Hoffman (coach). Row Two: Byrne, Lovesky, DeGraff, Swomley, Shuskus, Hurwitz.

VARSITY GOLF

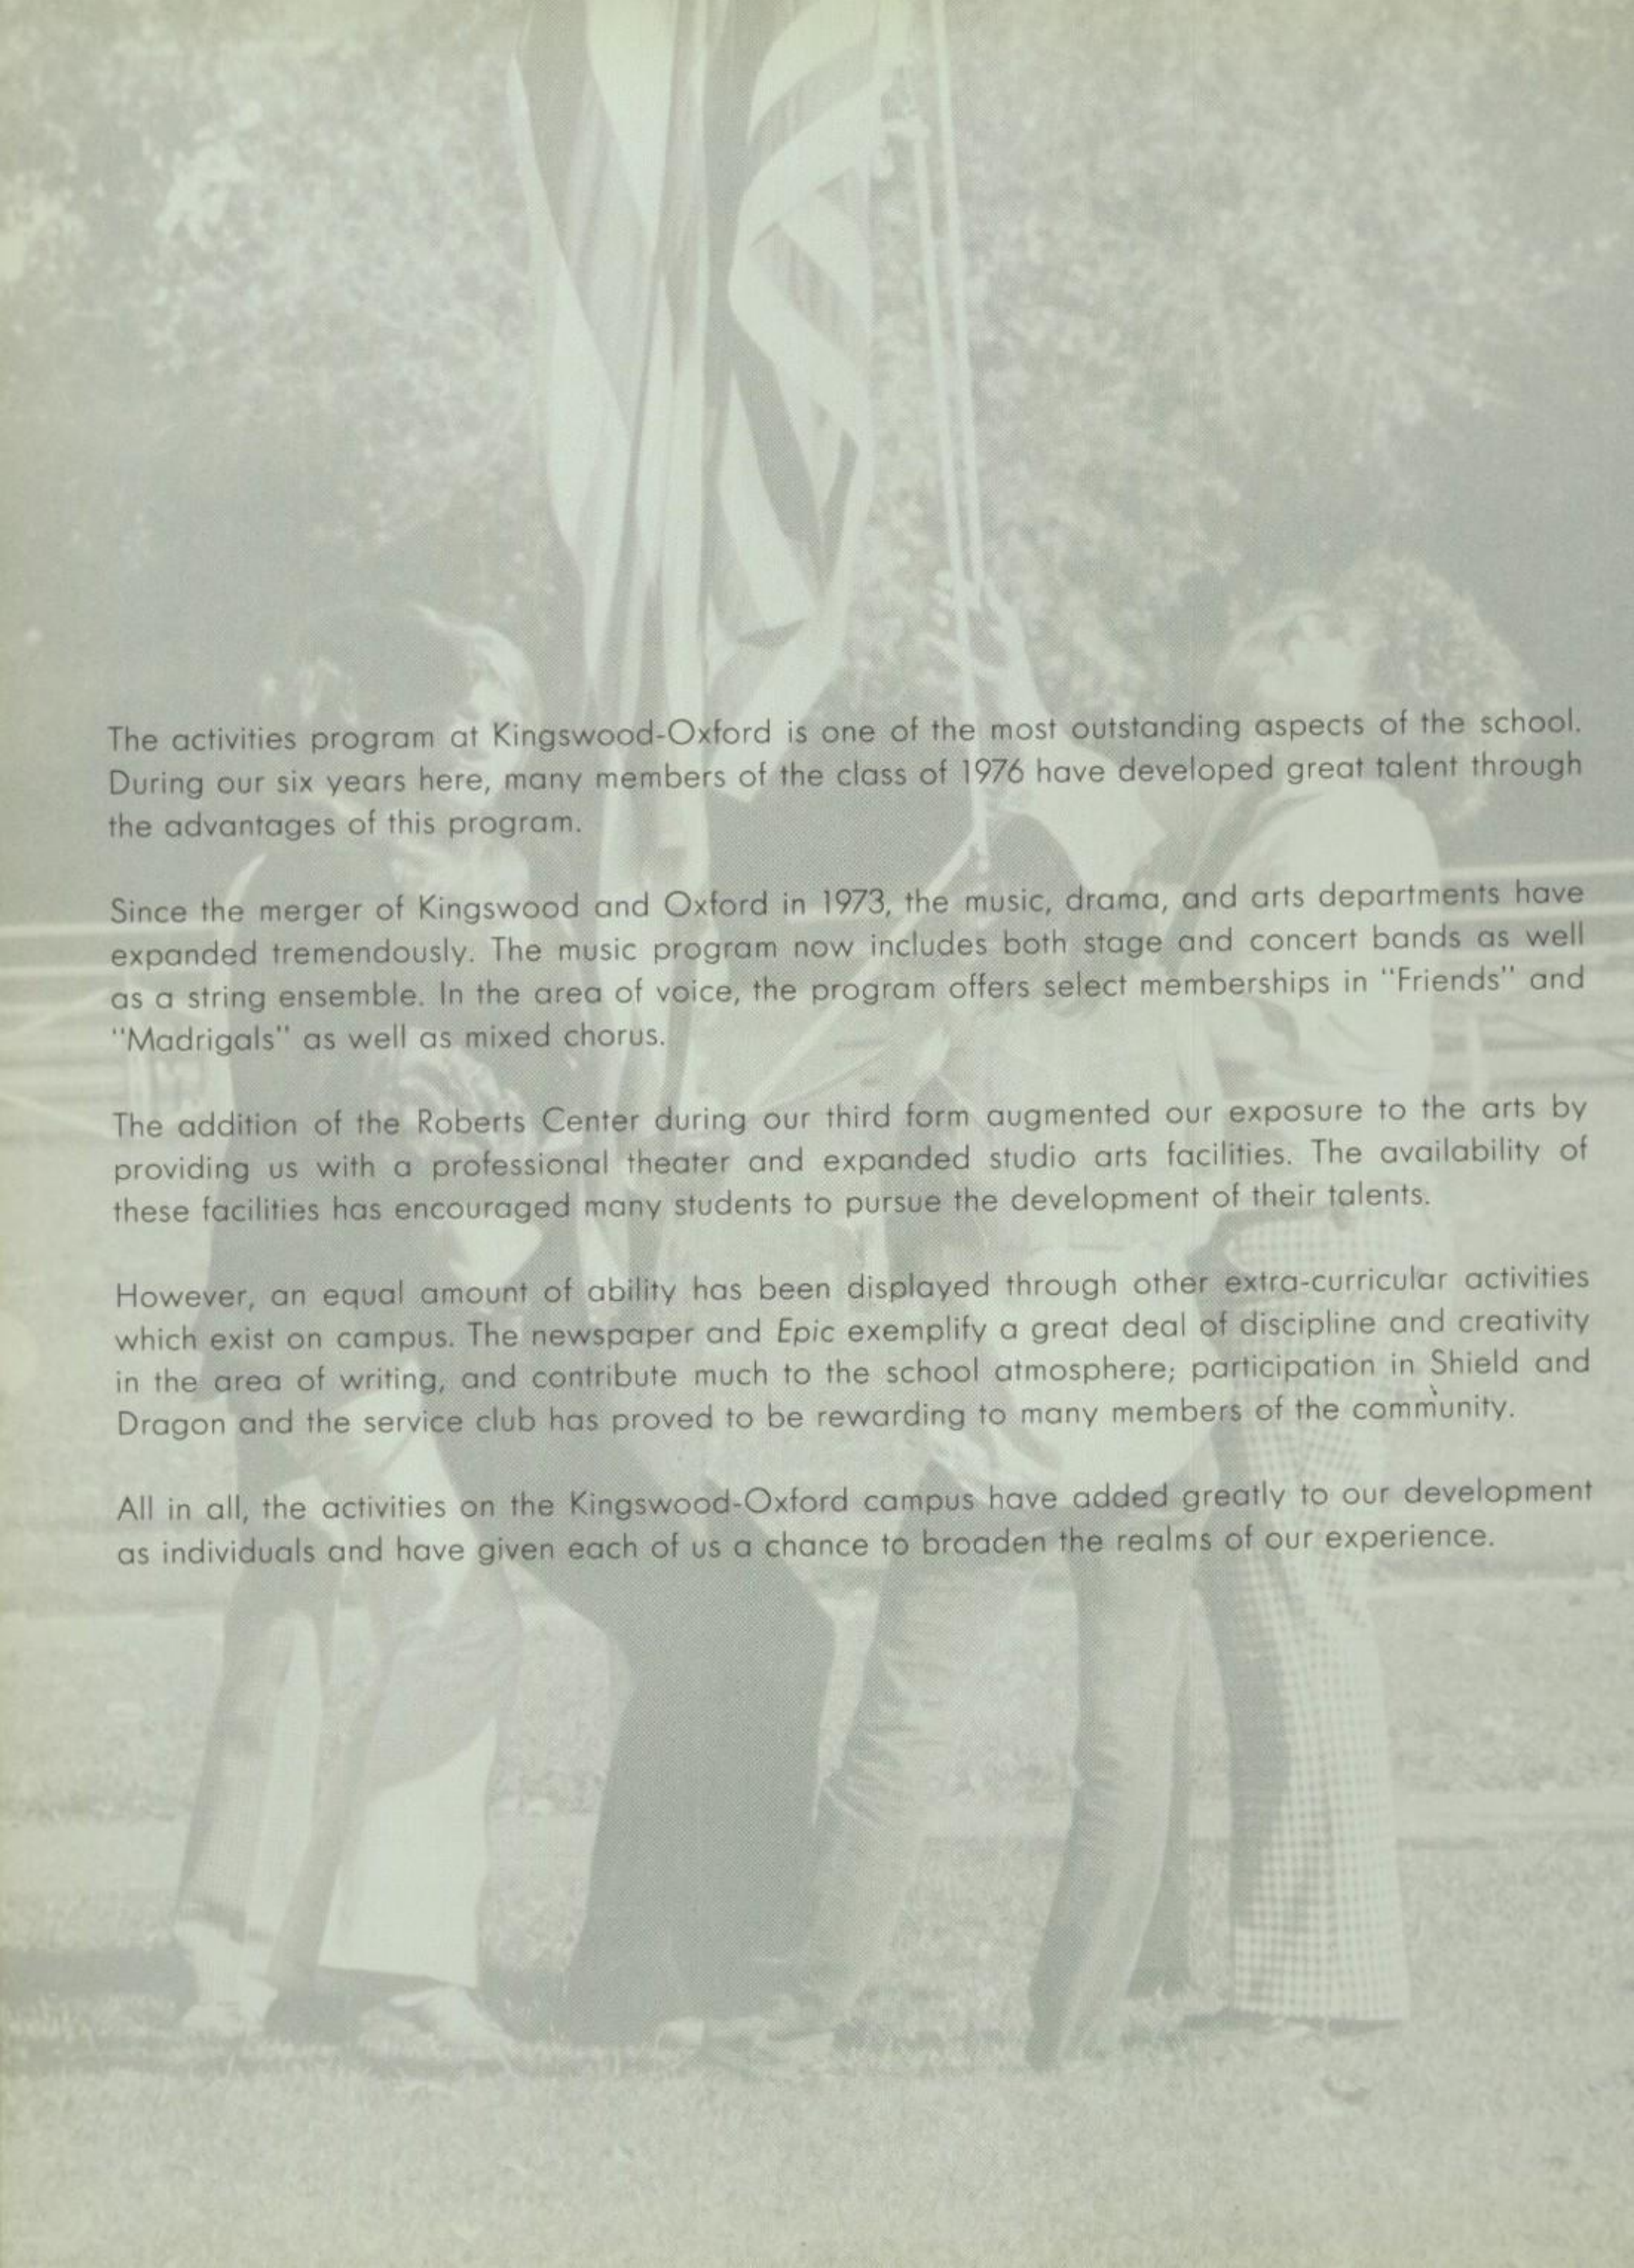

Row One: Newman, Ives, Healy. Row Two: Mr. Keyes, Warfel, Coursey (captain), Wolf, Nam-noum.

VARSITY TENNIS

Row One: Weeje, Alberts, Marsh (captain), Berman, Macko. Row Two: Fasano, Bellingrath, Richman, Moran, Kaplan, Mr. Glassmire (coach)

Coming off a 10-0 record down south, the varsity tennis team looks as though it is headed for another fine season. Led by senior captain Jamie Marsh and sophomore Greg Macko, the team gained victories over the seasoned teams of Yorktown Elementary Friends, Thomas Jefferson, St. John's, and St. Stephen's. All Wyvern defeats came at the hands of three time national interscholastic loser Landon in a hard-fought effort. Sophomore Tim Berman, juniors Neil Richman and undefeated Phil Moran, and first former Peter Albert round out the singles lineup, with Gary Schwartz filling in at third doubles. When number four player Dave Kaplan nurses his collar bone back to health, the tennis team looks to avenge their loss to league champions Hotchkiss and top a strong fielding at the fourth annual KITT.

The activities program at Kingswood-Oxford is one of the most outstanding aspects of the school. During our six years here, many members of the class of 1976 have developed great talent through the advantages of this program.

Since the merger of Kingswood and Oxford in 1973, the music, drama, and arts departments have expanded tremendously. The music program now includes both stage and concert bands as well as a string ensemble. In the area of voice, the program offers select memberships in "Friends" and "Madrigals" as well as mixed chorus.

The addition of the Roberts Center during our third form augmented our exposure to the arts by providing us with a professional theater and expanded studio arts facilities. The availability of these facilities has encouraged many students to pursue the development of their talents.

However, an equal amount of ability has been displayed through other extra-curricular activities which exist on campus. The newspaper and *Epic* exemplify a great deal of discipline and creativity in the area of writing, and contribute much to the school atmosphere; participation in Shield and Dragon and the service club has proved to be rewarding to many members of the community.

All in all, the activities on the Kingswood-Oxford campus have added greatly to our development as individuals and have given each of us a chance to broaden the realms of our experience.

OUR SHARE!

We live in this community. We share in its bounty. And we share in easing some of its problems, too.

For example, we're funding Project Matthew's Alternate Learning Center, a pilot program for students under 18 who have dropped out of, or been expelled from, the public school system; jobless young people with no direction and little hope. Curricula will include basic academic subjects and lead to a graduate equivalency diploma or reentry into the public schools.

Sharing. That's what good neighbors are all about. We hope that our share will help make a Greater Hartford for all of us.

Alright guys, fess up.

Hi, I'm a student.

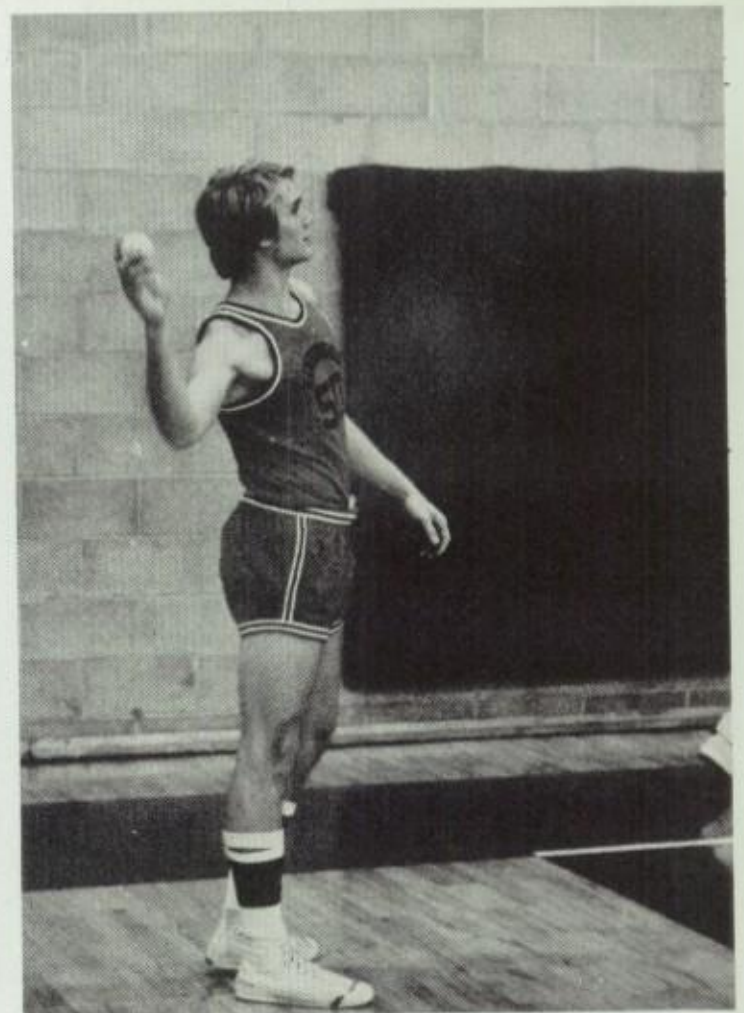

No the "K" doesn't stand for klutz!

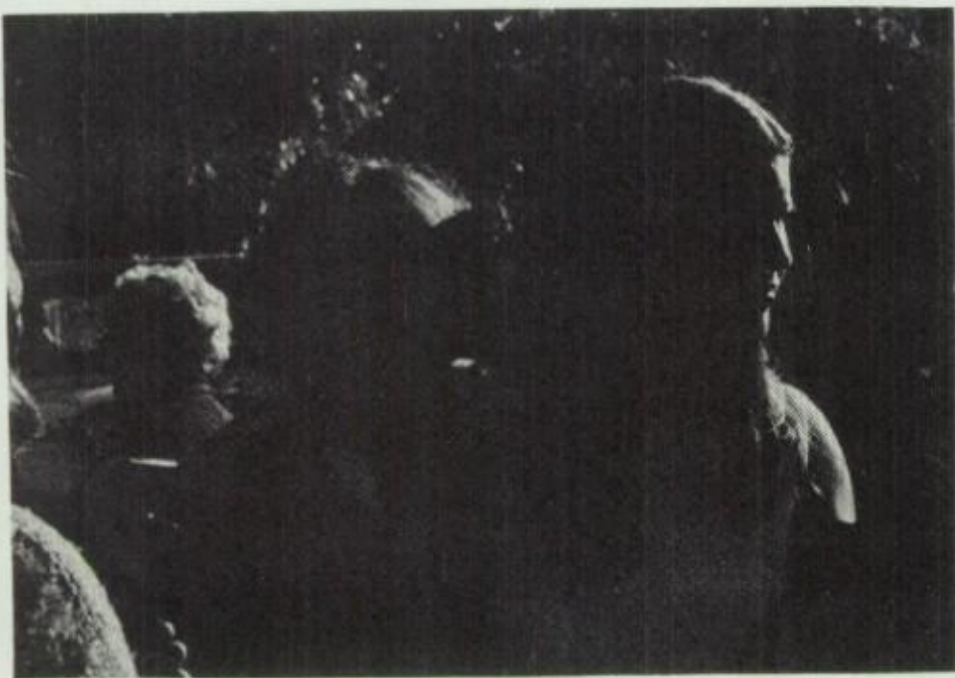

And they call me ugly.

Wow! You really do exist.

You have to be in shape for this stuff, you know

And to think . . . after only two dates.

Right here is where it gets interesting.

And this year's latest fashions are

Aren't you glad you paid \$2500 for a good, hot lunch?

This is tomorrow's future?

Hi, I'm running for Hall Monitor and I'd like your vote.

Oh darn, somebody let the cafeteria grinders out!

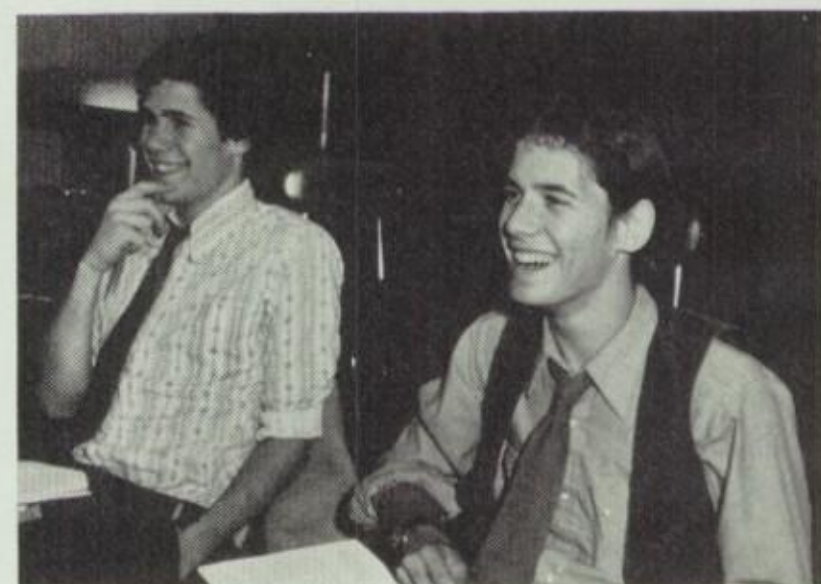

You did what to my car?

You mean teachers don't make \$130,000.

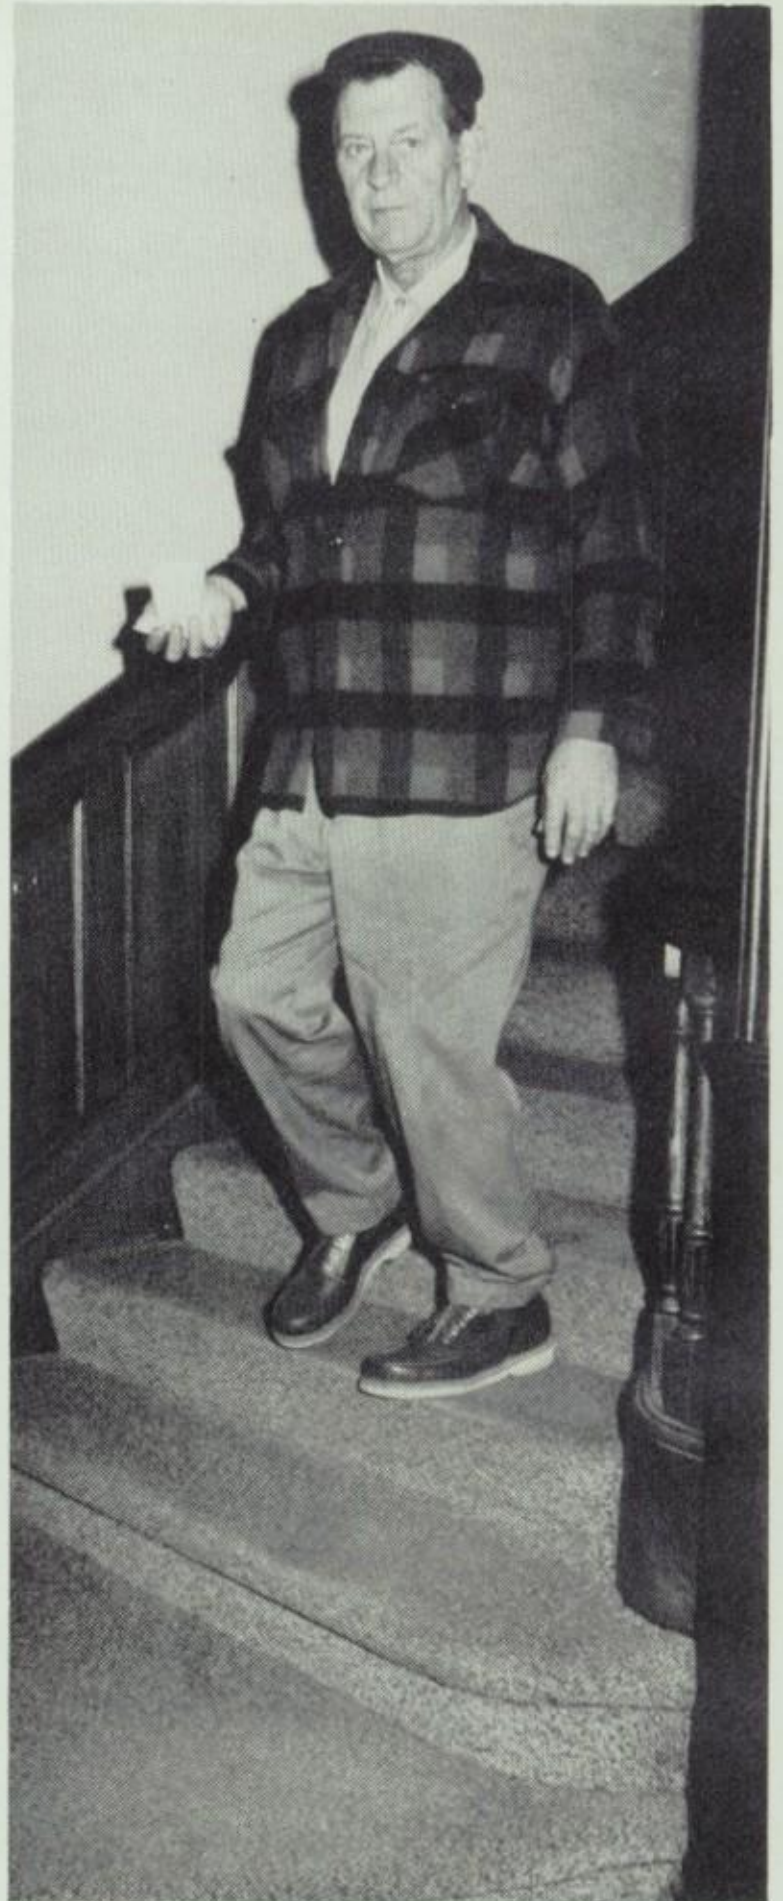

You're right mom, I should of been a dentist.

And the cop said "this don't smell like no incense"

And then Papa Bear said .

Coffee? You got a chance.

Use. your imagination.
